## A Movement of Prayer for the Entertainment Industry

Happy July HPN Family!

We are so thankful today to have celebrated Independence Day over this past weekend, and to be full-swing into summer! We feel so thankful to be working and loving people here in Hollywood, and we are honored to celebrate serving, encouraging, praying, and building relationships with all of you.

We also are celebrating what so many of you already know; HPN is GROWING!!! In the past year, we have seen MIRACLES in the number of people learning about HPN, and the depths of the connections that Karen and Kelry have built in the community. One of our greatest joys has been in serving the growing needs of our diverse creative community. In a short time, we have seen the following new ministry groups sprout up! Check out these below:

- Measure for Measure – for singers, songwriters, composers and producers
- Upside Down Comedy – for comedians, comedy writers, and humorists
- Kingdom Writers Hollywood – for screenwriters
- Hollywood Hikes – monthly hikes to the Hollywood Sign or in the LA area

- Streamhouse – dinner party connection for active industry professionals

If you are not local and unable to join any of these gatherings, then please be PRAYING for these groups, and for relationships, mentorships, spiritual growth and increased faith and prayer lives of our Christian entertainment professionals.

## NEW MINISTRIES IN OUR HPN EVENTS CALENDAR

### *Praises*

#### TRAVIS BARKER

Musician Travis Barker of Blink-182, is recovering from a severe case of pancreatitis, and he and his wife, Kourtney Kardashian, are thankful that he is on the mend!! Kourtney wrote: "I am so grateful to God for healing my husband, for all of your prayers for him and for us, for the overwhelming outpouring of love and support. I am so touched and appreciative." Let's praise God that Travis and Kourtney are looking to Him and that Travis's life has already been a testimony of God's hand on him. We pray that he and his family continue to embrace God's great love and plans for them!

#### HPN is Growing its Team!

Because of HPN's growth we are still in need of an ADMINISTRATIVE ASSISTANT who can skillfully support the vision of HPN, and serve the Lord in Hollywood with us! Please be asking God with us for the perfect person to join our team and support HPN! We are looking for an initiator with strong leadership and administrative skills, who loves the Lord, and is dedicated to HPN's mission.

## Requests

### Zachary Levi

We are very proud of our friend and HPN member and actor, Zachary Levi, who has written a new book about his personal journey with mental health. It's a beautiful, honest, helpful and hopeful story of what millions of people struggle with and he had the boldness to talk about it. He's helping people all over the world, so let's pray for Zach, his faith, his career, and for favor as he encourages others to get healing from mental health struggles. Be sure to get his book, "Radical Love" – for yourself or for a friend, and listen to this powerful interview!

### Big Moves! Hollywood Agency Acquisition Rocks Industry

Pray for a big acquisition in Hollywood: Creative Artists Agency (CAA), the largest talent agency in our industry, has just acquired International Creative Management (ICM), probably the 2nd largest talent agency in our industry! This is a huge move, power shift and control center of talent, deals, casting and green-lights for films and TV shows. So we need to pray for the balance of power amongst decision-makers, the well-being of the talent at each agency, and for the Lord to be leading decisions, deals and representation.

## The Future of Animated Films?

We'd like you to pray for the decision-makers and creators of feature film and TV animation. It is a powerful and still growing genre which becomes more accessible as the technology progresses and becomes cheaper to produce. The big news in Hollywood now is why Universal's *Minions: The Rise of Gru* is such a success and why Disney/Pixar's *Lightyear* was a flop. This article gives business reasons for the difference, but we ask that you pray for the creators because we believe the real "success" of the film is in the storytelling. Jesus was the world's best storyteller, so let's pray that He supplies powerful, heartfelt storytellers of integrity to be writing and creating children's and family animated films and TV shows.

## Alexa Peña Vega – Being a Child Actor in Hollywood

[READ MORE](#)

We need to pray for child actors in Hollywood. It's a tremendously difficult position for any family, especially a Christian family, to navigate a working child actor. There are unusual time and location demands that often pull families apart – all for the sake of a child's career. We want the Lord to keep Christian families intact, to have Hollywood Christians put the Lord first and for the parents to make wise decisions in light of what's best for their children and their family. Here is a story of Alexa Pena Vega, who chose to leave Hollywood in order to keep her faith strong. Everyone has different callings and choices and there is no "right" or "wrong", so we ask that you pray for wisdom and discernment for each child and their parents!

Thank you SO MUCH for praying with us and for us this week. We ask that you forward this Call Sheet on to your praying friends and family, and help us to grow our network of Christians who pray for the people, the projects and the issues in the world's most influential marketplace and mission field: HOLLYWOOD!

We love you and thank the Lord for you,  
Karen and Kelry

## Scripture

*"But now, O Lord, You are our Father, We are the clay, and You our potter; And all of us are the work of Your hand."*

-- Isaiah 64:8

## Quote

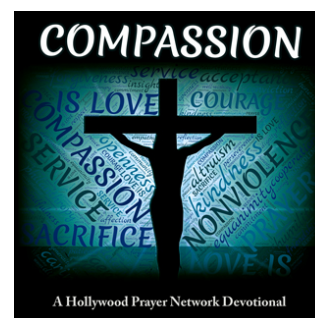

*"The Christian does not think God will love us because we are good, but that God will make us good because He loves us."*

-- C.S. Lewis

## HPN YouVersion Weekly Devotional: FATHERS

*We think of God as a loving God, a good God, and a powerful God, but we don't often think of God as compassionate. We are going to spend the week seeing how amazingly compassionate God is to ALL of us, all the time. By the end of the week we should all be shouting for joy, rejoicing, and proclaiming thanks to our God of Compassion!*

– Karen Covell
