Dear HPN members,

HAPPY SUMMER! We are so glad that you are back with us for this new Call Sheet! This past week was a hot one in LA; both the weather and the tension surrounding ongoing strikes, upcoming movie releases, and entertainment news!

Our summer is flying by as we prepare for our 2023 Local Chapter Director's SUMMIT on August 3-5th, and as we anticipate Kelry's baby girl, who is arriving the last week of August! But for now, would you join us in praying for the people, the projects and the issues in the global entertainment industry. THANK YOU for your prayers!

Also, AT THE END OF THE CALL SHEET is where we post all of the AWESOME events and community group gatherings happening at HPN, including our Global LCD Worship night on August 4th! So Please KEEP READING!

A Mighty Warrior Attack Sheep: HPN Local, Ryan Bethea

This month we are highlighting a “normal” guy, a faithful Christian industry professional who's working in Hollywood: Ryan Bethea. He's not a celebrity but he's making an eternal difference. Let's pray for our friend and HPN member Ryan Bethea!

Ryan is a producer, writer and podcast host. He needs our prayers because he is currently producing a powerful podcast, telling true stories about Exorcisms. He is co-hosting with a known Catholic Priest and Exorcist, Father Carlos Martins. Ryan and Father Martins welcome our prayers, due to the intense spiritual battle involved in this series as they tell true accounts of regular people being delivered from demonic possession.

As Paul wrote in Ephesians 6, we know our battle is not just against flesh and blood but against the powers and principalities in the heavenly realms. That is why today we are excited to highlight Ryan and his work, and ask you to pray for him, Father Martins, and their podcast team. In January of this year, Ryan's new podcast, *[The Exorcist Files](#)*, debuted and quickly rocketed up the charts, earning the #1 spot on Spotify's Religion and Spirituality list and a top 10 spot on Apple charts. The show, which features 3D sound and dramatizations of the real case files of Father Martins, has reached over 2.5 million downloads and features a deep dive and exploration into the topic of spiritual warfare. We ask that you pray for protection and blessing over Father Martins, Ryan and his team as they embark on their journey to produce season two. One thing we also love is that despite the seriousness of the topic, Ryan has added humor to his hosting, and he and Father Martins stress time and time again that all believers share in Jesus' victory over darkness. If you'd like to get in touch with Ryan or send him a prayer, feel free to email them at Exorcistfiles@gmail.com and make sure to [subscribe to the show here!](#)

HOLLYWOOD STRIKE UPDATES!

Even though we prayed it wouldn't happen, SAG/AFTRA joined the picket lines this past Friday, because the actors and the AMPTP (Association of Motion Picture and Television Producers) couldn't come to an agreement. So, now both the WGA and SAG/AFTRA are striking until they can come to a fair outcome for this next union contract. This is

one of the most tense times in our industry as people are wondering when we will ever get back to work! So, we ask for your prayers. Now, more and more people are out of work, not able to start jobs they thought they had, and wondering how much longer they can last with monthly bills, rent or mortgages. Your prayers can literally clear the minds and hearts of the negotiators, allowing the Holy Spirit to guide their decisions. So, let's PRAY!

AI and the Music Business

AI is starting to take over the music industry and we have to pray that real, paid musicians don't get replaced by AI music. The problem is that AI can take music from known songs, combine it with phrases from other songs and create a new song that has no particular "writer" so the one who created the AI gets paid! Musicians are starting to lose income from songs that they have actually written themselves! It's too easy now to create a song from other sounds and through Artificial Intelligence, the song becomes YOURS when you didn't write it! What do we do? How do we handle it, control it or stop it? This needs our prayers so that actual, talented, experienced, hard-working musicians can make a living from music they have actually written! It's a new world that needs God's guidance, wisdom and discernment to navigate.

SOUND OF FREEDOM Controversy:

We are saddened by the controversy around the new film, *Sound of Freedom*, starring Mira Sorvino and Jim Caviezel, which tells a brutal story of child trafficking. This movie, which is reaching \$100 million in global box office sales, is based on true stories of families in Mexico who have lost children to sex-traffickers. Because of our nation's political division, we ask that you pray that the truth of this story comes out and that the politics around the

film doesn't take the focus away from its important message. We are asking the Lord to have Christians see the film and pray for the children. The truth is: Over 2 million children go missing each year and we believe that the power of film can help to expose the problem. Here's the official trailer for Sound of Freedom:

SOUND OF FREEDOM TRAILER

***Jesus Revolution* streams on Netflix**

We have asked you to pray for the film *Jesus Revolution* and it has not only taken off at the boxoffice, but Netflix just picked it up and it will be streaming on their service as of July 31st. We are thankful that true stories like this can be available to a global audience (even though it may not stream in Australia), and we thank you for your prayers for it to get noticed and celebrated at the box office around the world, and in our industry!

***Requests*****JAKE JOHNSON TAKES A DIFFERENT HOLLYWOOD PATH**
[READ MORE](#)

We want to pray that Christians across the world understand that people in Hollywood don't just come here to find fame and fortune, but they are passionate about the process of storytelling and the joy of creating art. Today we want to point out actor, Jake Johnson, who was one of the stars in the TV series *New Girl*, and is the voice of Peter B. Parker (Miles Morales' Spiderman mentor on *Spiderman: Spiderverse* films). Jake decided not to pursue a life of money and fame, but to produce projects that he was passionate about and to take time to be with his wife and twin daughters. It was the harder path, but he is creatively fulfilled, has a strong family and can walk down the street without fans and paparazzi's bothering him. Let's pray that Jake can not only continue to find joy and creativity in his work, but that he can meet the God of the Universe who gave him his talents and is celebrating his choices!

MATT DAMON: *OPPENHEIMER* PREMIERE, AND HIS FAMILY

Let's pray for Matt Damon as *Oppenheimer* opens on July 21st. He stars as Oppenheimer in this summer blockbuster, just after he told his wife he would take a break in acting, *unless* Director Christopher Nolan called him. Soon after, he did get a call and Christopher offered him the lead role in his new film. Let's pray for Matt and his wife of 18 years, Luciana Barroso Damon, and their 4 daughters. We want them to be examples of a strong, loving marriage and family in Hollywood and so we ask the Lord to bless them and their relationships with each other, their friends and family, and especially with the Lord, who loves them so much!

Thank you so much for praying for us this week. If you have any industry requests or praises, we love to hear from you. We look forward to seeing God's answers to your faithful prayers, and, of course, we send you love from Hollywood!

Karen, Kelry and Myesha

Quote

"If prayer stands as the place where God and human beings meet, then I must learn about prayer. Most of my struggles in the Christian life circle around the same two themes: why God doesn't act the way I want God to, and why I don't act the way God wants me to. Prayer is the precise point where those themes converge."

-- Philip Yancey

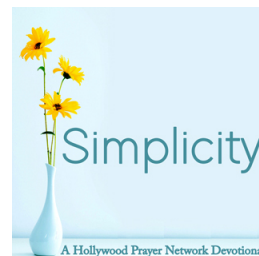

Scripture

"I love those who love me;
And those who diligently seek me
will find me."

-- Proverbs 8:17

Weekly Devotional: *God's Heart on Simplicity*

Oh, how complicated and stressful our lives can be! Yet God tells us He wants us to live simpler, more peaceful lives. He MAKES us lie down in green pastures, which shows we're not very good at it on our own. Let's spend this week seeking simplicity in our lives and be free of the things that are weighing us down. He's offering us a simple life. Let's accept it! -- Karen Covell

Pray for Godly role models.					
Pray for protection.					
Pray for wisdom in their decisions.					
I want to pray for:					

Let's pray for the young stars of the new Disney movie *Dorota*. You can pray that they would have wise art teachers who will help protect them in body, soul and spirit. That they would have Godly role models to learn about how much Jesus loves them. That their families would be strong and wise. That they would be protected and encouraged.

These four young people are all in the Amazon Prime show *The Summer I Turned Pretty*. Let's pray for their futures by asking God to guide them and surround them with His wisdom. And that they would have people that would share the love of Jesus and encourage them in their journey.
