## A Movement of Prayer for the Entertainment Industry

Dear HPN,

Can you believe it? Summer is almost over and kids have started going back to school! Where does the time go? We are thankful that you are continuing to pray with us for the people who are creating our culture, leading the hearts of our children, and prophetically showing the pulse of our nation through the stories, songs, video games and profiles that we offer the world. Please don't hesitate to send these emails to other praying, like-minded people, so that we can see a growth in answered prayers for Hollywood and the global entertainment industry. Here we go:

## Nicole Baer is a Mighty HPN Volunteer!

This week we want to honor HPN member and leader of *Montage*, the HPN Fellowship group of editors, Nicole Baer. Nicole is an incredible editor, an amazing woman of God with the gift of hospitality, and she has a loving heart that embraces and encourages everyone she knows. Nicole has been editor of *NCIS: Hawai'i* for the past few years and even though she is at the top of her field, she always cares about everyone she is working with along the way. We want you to pray for Nicole as she leads our Editors Fellowship, *Montage*, and works in our industry, being salt and light every day! HPN is honored to know and walk with Nicole!

## Updates

### Keep Praying for Stunt People

Thank you for continuing to pray for Stunt people in Hollywood. It's a dangerous job and yet a key part of every action film on the screen. Today we praise God for Brenda Garcia who is a successful stunt woman and yet shares her faith boldly and powerfully every chance she gets. HPN and Brenda have a mutual desire to gather the large group of Christians in stunts together in fellowship in order to make an eternal difference in that field through prayer and relationships. Please join us in praying for the believing stunts community to grow!

## Praises

### Be praying for the LA Olympics in 2028

We want to thank you for praying for the media during the Olympics. They shot and aired segments full of praise and prayer from the contestants and we know the Lord was moving. Every morning the players had a prayer and praise time before the events and this was caught on someone's Instagram: Click the [link](#) to watch!

And read this article about all of the Christians who gave glory to God as they won their medals in Paris:

HPN wants to be a part of a morning prayer and praise time every day during the LA Olympics in 2028 here in Los Angeles. Would you pray with us that this will come to pass!

## Requests

### Telluride Film Festival

Pray for the upcoming Telluride Film Festival in Telluride, Colorado from August 30 – September 2nd. It is the 51st annual Festival, screening independent films and offering seminars, panels and parties for industry pros. These Film Festivals bring together filmmakers, distributors, actors and studios in order to screen and hopefully buy some of the nation's best new independent films. As one of the top film festivals in the world, the LA Times critic John Horn said: "Sundance has swag, Cannes has yachts... Telluride has class." So, let's pray for the people there

to experience God in the beauty of Colorado and find Him in the films they watch, promote and buy!

## Adam Driver is Performing Off-Broadway

Pray for Adam Driver and the Off-Broadway play *"Hold On to Me Darling"* that he is performing in from Sept. – December, 2024. It's miraculous how years ago Film was respected much more than Television, and Theatre was the poor step-brother of both Film and TV. Now, all three mediums are highly respected and incredible actors jump back and forth between all three with no hesitation. They just love the opportunity to be working creatively. Let's pray for all of the Arts to continue to gain respect, attention and popularity all across the world because God's greatest gift to mankind is story-telling and His first act was creation!

## Are you Concerned about AI?

Much of the world is concerned about Artificial Intelligence (AI) because we don't completely understand it and it seems scary. So, instead of being naive or afraid, let's pray for the leaders in AI and ask the Lord to touch their hearts and minds

so that they use it for good, that it stays merely as a tool, not a controlling force for mankind, and that we don't feel fear toward it. There is an upcoming gathering in Hollywood, bringing some of the top AI Execs together to discuss the issues. Let's pray for each of these people and their decisions in moving AI forward in our world: Jeremie Harris, CEO, Gladstone AI, Edouard Harris, CTO, Gladstone AI, Yves Bergquist, Director, AI & Neuroscience in Media at USC's Entertainment Technology Center, and Stuart Russell, Prof. of Computer Science

at Cal State Berkeley. Here is a video that helps us understand the power of AI by Prof. Russell.

## **Pray for Protection from Predators**

Pray for creative professionals, like the late Mathew Perry, who are being taken advantage of by people who so often benefit from the Creatives' fame, money, power and/or influence. One terrible struggle of being a "celebrity" is to know who are really their friends, and whom can they trust. Would you pray that the Lord will bring soliChristians to these vulnerable people so that they can find a love, a hope, a joy, and a life that will NOT disappoint them! You can read about what happened to Matthew Perry in this article. It is not uncommon for celebrities to be sucked into drugs through others who first encourage them, and then take advantage of them and make money from them.

## **Emmy Nominations are Posted**

Pray for the nominees, voters and decision-makers for the 2024 Emmy Awards, coming up this September 15th in Hollywood. This year they are being hosted by a father/son team, Eugene and Dan Levy, the creators of "Schitts Creek." All of the nominations are out, so we ask that you pray for the Lord to do miracles in the hearts and lives of everyone nominated, the hosts, behind the scenes producers, director, crew and presenters! Thank you for lifting up TV's biggest event of the year!

Thank you so much for praying with us this week. We know your prayers are making an eternal difference in our world. We are SO THANKFUL for you and hope that you tell all your friends, neighbors, associates, co-workers and even the person in front of you at the grocery store, to pray with us for Hollywood! Join us this Saturday for our Birthday Party and have a very happy Labor Day!

With love,  
Karen, Kelry and Myesha

## Quote

"The early Christians succeeded because they did not lower their heads in despair and say, 'Look what the world has come to.' Instead, they lifted their eyes in delight and said, 'Look Who has come to the world.'"

-- E. Stanley Jones

## Scripture

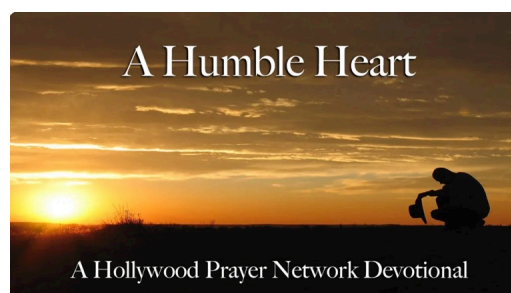

"For this purpose I was born and for this purpose I have come into the world—to bear witness to the truth. Everyone who is of the truth listens to my voice."

-- John 18:37

## Weekly Devotional: Loneliness

This week let's tackle the pure, child-like heart of HUMILITY as we spend time with our God. We know that pride comes before the fall, so HUMILITY must come before we are lifted up. Only the Holy Spirit can truly make us humble, so may that be our prayer this week. And please pray for the Hollywood entertainment industry, which we consider to be the world's most influential mission field!

--Karen Covell
