### A Movement of Prayer for the Entertainment Industry

Dear HPN members,

HAPPY LABOR DAY this past Monday. Did you know that Labor Day is an annual celebration of the social and economic achievements of American workers? So, we ask that you take a moment now and thank the Lord for all of the achievements of every person who has ever been a part of any film, TV show, song, orchestra, dance, art exhibit, video game or internet content in America! It takes a village to make a piece of art and yet often, many people's work is not recognized or appreciated! Thank you for acknowledging professionals in our industry who work hard and are never known or noticed!

Let's jump into the new school year with prayers, praises, updates and thoughts about the world's most influential mission field and marketplace...

### The 76th Annual Emmy Awards

The 76th Annual Emmy Awards ceremony is coming up on Sunday, September 15th on ABC. Let's pray for the nominees, the presenters, the hosts because this is the biggest day of the year for television actors, writers, producers and directors. We want them to experience the presence of the Lord, not just the adrenaline rush of fame and awards! May our prayers make an eternal difference!

### True Stories About The Demonic

This is the season for true stories about demons in films, TV shows and podcasts! Maybe it's because of man being created in God's image and so we instinctively wonder about the Supernatural??? Keep your eyes open for the Lee Daniels film *The Deliverance*, the podcast *The Exorcist Files* and the many new Netflix shows about the supernatural, as we pray for the Lord to reveal Himself to both the filmmakers and to the audience as they deal with the reality of Good and Evil in our world! Lee Daniel's mother even worried about him as he shot the film.

And listen to this podcast about real exorcisms and the power of Good and Evil:

### Faith-Based & Secular Filmmakers

There are many Christian films coming out these days and we want to say that the Lord works through both secular and faith-based films and filmmakers. As Christians, we hope that you can appreciate both genres. It's important for Christians to be in the secular entertainment industry to tell stories with the heart of God that reach the general public. But it's also important to use films to spread the gospel to people who may not get it any other way. We don't want either group of Christians to judge one another, for God gives each of us a specific mission and it's only our job to obey. So, you Christians making Christian films, would you pray for the Christians in the secular marketplace? Ask the Lord to give them strength, wisdom, favor and to have fellow believers around them to hold up their arms as they use their gifts and talents to touch people who may never go to a Christian film, let alone a church. And for the Christians in the secular entertainment industry, will you pray for the Christians making faith-based films? It's no better or worse than your work and yet it's hard to tell authentic Biblical stories AND raise the money and find the group of experienced professionals to make godly stories at the level of a studio film, with the budget of an independent Christian film. This week, let's pray for the Kendrick Brothers as their film *The Forge* is in theatres. It's a story of the importance of Discipleship and the sacrifice it takes to raise the next generation of Christian young men. We are all here to make a difference on earth and all artists are prophets! And in heaven, as we all talk about our journeys as artists in this world, we are going to hear some wild stories!

The 81st annual Venice International Film Festival began on August 28th and is running through September 7th, 2024. "The aim of the Festival is to raise awareness and promote international cinema in all its forms as art, entertainment and as an industry, in a spirit of freedom and dialogue. One section is devoted to enhance the restoration works on classic films as a contribution towards a better understanding of the history of cinema." There are screenings, juries, awards, speakers and networking, with filmmakers from all over the world. Let's be praying for all of the people who gather there – to leave with a greater understanding of God's presence, His love, hope, creativity and joy!

## REAGAN was 4th at the Box Office

As the industry closes out the summer season of movies, the film, *Reagan*, produced by HPN member and friend, Mark Joseph, and starring Dennis Quaid, was released this past week-end and came in 4th at the Box Office. Let's pray for continued success with this film and all the other commercial films that are made by Christian professionals! We are proud of our community and want to see continued success, unity and excellence. So, please pray for us and with us, and expect God to continue to move mountains for His people.

## Child Actor - Gaten Matarazzo

We need to pray for child actors. It is very difficult for a child actor to maintain a "normal" life with friends, family and school. And many child actors get lost in the process of young success. Today let's pray for Gaten Matarazzo. Gaten is a 17 year old actor who is known for his work on *Stranger Things* and The Netflix show *Prank Encounters*. He is trying to live the life of an average American teenager, but it's difficult the more famous he becomes. Let's pray for Gaten's heart, his spiritual grounding, his priorities and his understanding of God and how much He loves Gaten for who he is, not just for what he's accomplished!

## *It Ends With Us* exposes Domestic Violence

Let's join together in prayer for those in domestic violence relationships, especially in light of the impact of the movie *It Ends With Us*. Despite the drama surrounding the stars of the film, we want to pray that God continues to use this movie to touch the hearts of those who need to be set free and healed from domestic violence. Let's pray for their safety, strength, and courage to seek help and support, and for resources to be made accessible to those who need it most. May movies be used to help people find resources and the community they

### *Quote*

"But how can the characters in a play guess the plot? We are not the playwright, we are not the producer, we are not even the audience. We are on the stage. To play well the scenes in which we are 'on' concerns us much more than to guess about the scenes that follow it."

-- C.S. Lewis

For then you will be seen as innocent, faultless, and pure children of God, even though you live in the midst of a brutal and perverse culture. For you will appear among them as shining lights in the universe, offering them the words of eternal life." Philippians 2:14-16
