### A Movement of Prayer for the Entertainment Industry

Dear HPN,

This week our HPN office is closed because Karen and Jim are in Italy and Kelry and her family are in Wisconsin. We recently celebrated another year of HPN, making it 21 years of exciting ministry here in Hollywood, the most influential mission field in the world! What a thrill and honor to serve this community, and yet we know that the BEST is yet to come!

We want to start back up in September with a renewed vigor, excitement and clear vision for all that God has in store for us. So, we ask you to pray for various divisions of our HPN ministry that we are passionate about expanding and deepening. Thank you so much for praying for us and with us as we bring our summer to a close! Here we go:

***Praises!***

## Celebrate HPN's New and Flourishing Community Groups!

### Hollywood Prayer Network Updates and Growth!

HPN has grown exponentially in the past two years. Since Kelry came on board and brought her amazing husband and friends to join us, we have a stronger team than ever before! And we've had a Dream Team of Biola Film School interns this past year who have rocked our world. We would love to have you become a part of, or pray for, these divisions of HPN that we deeply care about, so that we can reach more of the world with the opportunity to pray for Hollywood:

Our [Parents Prayer Team](#)

Our [Global Local Chapters](#)

Our [Podcast – Hollywood ChangeMakers](#)

There is so much more we want to do, so we ask that you pray that the Lord moves miraculously in and through HPN. May He give us an expanded vision, favor with everyone we minister to, and the financial ability to host a Hollywood Summit for all of our Global Local Chapter Directors in August, 2023. As always, it is our heart to pray for miraculous, life-changing answers to prayer for the people in our wonderful Hollywood entertainment community! And please get involved in any or all of our opportunities above! We can't do anything without YOU!

### Honoring Tabitha Brown

We want to congratulate a wonderful Christian actress, Tabitha Brown, who was honored on August 11th by Hollywood Confidential. In the video that we've linked, you can hear Tabitha's funny, heartwarming, and tear-jerking testimony regarding her journey as an actress, as a woman of color, and as a strong believer. We celebrate Tabitha and the way she continues to inspire hundreds of thousands on social media with her bold faith!

## The 2022 EMMY's Hosted by Kenan Thompson

[MORE ON THE EMMYS](#)

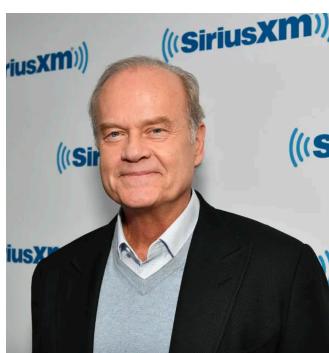

With so much that has happened in the entertainment world over the last several years, and with so many powerful new shows and streaming options, we hope that you will be praying with us for the 2022 Emmys on Monday, September 12th. Please pray for host Kenan Thompson, who has a huge role to play in making this a successful awards show. Pray for those who have worked so hard and were not nominated, and pray that those nominated would know that true value and recognition comes from God! Lastly, pray for the show's content and writers, and pray most of all, for the Lord to show up in a mighty and unexpected way!

## Shia LaBeouf

Let's pray for Shia LaBeouf and how he recently embraced God when he played a Saint in his latest film *Padre Pio*. Shia said he was ready to end his life, due to shame from so many poor choices, and then he was asked to play Saint Padre Pio and he believes it saved him. Let's pray that Shia's faith grows, deepens and fills him up with the love of Jesus, from the inside out! "With God all things are possible"!

## Kelsey Grammer – Honoring God in *Jesus Revolution*

We want to thank God and pray for Kelsey Grammer – an actor who has honored God in the face of Hollywood and adversity for years. Grammer has been cast as renowned pastor Chuck Smith in the upcoming Lionsgate film, *Jesus Revolution*. We ask that you would pray with us, that this film would be an excellent portrayal of a remarkable time in history that truly changed the world! We also pray that Kelsey would find great joy in working on this

production with other HPN friends, including actor Jonathan Roumie. We are thrilled for them both!

## ***PINOCCHIO*, a Fatherhood Movie that Everybody Loves**

We are excited to pray for the cast, crew and executives involved in the new Disney Live Action *PINOCCHIO* starring Tom Hanks, Robert Downey Jr., and Cynthia Erivo, which comes out on Disney Plus on September 8th. We pray also for the audience to celebrate a family film and enjoy this story of kindness, goodness, and fatherhood with the whole family!

## **Cineworld Files for Bankruptcy**

Please pray for Cineworld, the owner of Regal Cinemas, who has filed for Chapter 11 bankruptcy. Cineworld is the second largest movie theater chain in America behind AMC theaters, and owns more than 500 theaters nationwide. Plans are being made to hopefully reduce the strain as much as possible on current employees. Let's be praying for those employees, the families, and the communities that will be affected by this decision.

## **The Search for New Head for MGM, Amazon Films**

We have to pray for the decision-makers who are searching for the next Executive to head Amazon Films! Amazon has worked its way to the top of the list of competitive streaming services, with over 165 Million Amazon Prime Video users. And they have a full slate of original TV shows and films in production. With the recent purchase of MGM for \$8.5 billion, the industry can only guess who will be chosen to be one of the most influential people in film development today. Just imagine if God raised up a Christian to fill that role!

We are humbled by the faithfulness of so many who have continued to pray with us, support us, and share in so many of our joys and prayer requests. We can't wait for what's next!

We love you!  
Karen and Kelry

**RECRUITMENT**

Date: May 18, 2023

I am a doctoral student under the direction of Professor Christopher Lusk in the College of Decision Sciences at Grand Canyon University. My name is Robert Hall. I am conducting a research study to measure the factors in viewer satisfaction and engagement among three commercial movie genres in the U.S. from 2017 and 2018. This research will add to the growing body of knowledge about the factors that contribute to a film's success.

**INCLUSION:** I am recruiting individuals that meet these criteria:

- You must be at least 18 years of age.
- You must have seen at least one of the following three films that were released in the U.S. in 2017 and 2018: Star Wars (2017), Deadpool, The Great Wall.

The ACTIVITIES for this research project will include:

- Completing an online survey (approximately 8-10 minutes) via a survey link online from your computer.

Your participation in this study is voluntary.

All data in this study will be anonymous. Your responses to the survey questions will be grouped with others' responses and therefore will not be connected to you individually.

If you have any questions about this study, please contact me at [mail@gsu.edu](mailto:mail@gsu.edu) or call me at 408-203-1374.

## Be a Part of a Survey About Hollywood!

What makes a film a success at the box office? Is it just the star power of a popular actor or actress? Is it a particular genre or MPA rating? One theory is that films which engage the audience more and have characters that the audience more closely identifies with do better at the box office. One of our HPN members, Robert Hall, is conducting doctoral research in this area to add to our knowledge about the factors that make a film successful, and YOU can be a part of this research by completing a brief online survey.
