Updates

OpenAI o1 now Available

We want you to keep praying for AI. It's the newest technology impacting our whole world and it's being created here! This is the latest: "OpenAI released "o1," a new AI model that can reason through hard problems by breaking them down to their component parts and handling them step by step. Released in two iterations, o1-preview and o1-mini, the model is available to all ChatGPT Plus users, with a broader release to follow. The o1 release is the first of OpenAI's "[Strawberry](#)". We need to cover the world of AI in prayer so that the creators, the users, the leaders and the technology does not get out of control. God is in control, so let's ask Him to guide all of the people in AI with His heart, mind and sensibilities!

Requests

Adam Sandler and *Happy Gilmore 2*

Let's pray for comedian Adam Sandler as he develops the sequel to his 1996 feature *Happy Gilmore*! *Happy Gilmore 2* will come out on Netflix almost 30 years after the original! They are trying to get all of the original cast members back, but they aren't all even alive! Adam has been married since 2003 and has one child. He is a good man and loves to make people laugh. Can we pray for his heart to be full of God's love and for him to experience the unconditional love of his Messiah!

Pray for the VMA Winners

We want to lift up the winners of the MTV Video Music Awards on September 11th. The music industry is one of the most influential in the world, so we want to be praying for those who are creating the songs and soundtracks for this generation. Please pray both for their music and lyrics, and also for how they can use their platforms for God's glory and to lift up and inspire man. Every musician globally has an opportunity to use his or her fame for good, for justice, and for righteousness. May they be surrounded by Christ-lovers who have their best interests in mind and who want to see them walk with the Lord in wholeness and write songs of redemption.

14.96 Million Viewers Watched The NFL

The world of professional sports could not survive without the media. We wouldn't watch professional sports games without television and streaming, and the players wouldn't be famous without the media. So, let's pray for the impact that television has on "Thursday Night Football" after learning that the 2024 opening night became Prime Video's 3rd most watched game – with 14.96 million viewers! Our city impacts more people around the globe than viewers understand – and the impact we have on the NFL is unbelievable! So, let's PRAY for God to be more a part of all of our professional sports games, both on the field and behind the cameras, as we watch them on our TVs and phones!

The Camden International Film Festival (CIFF)

Film festivals bring to light some of the film industry's most prestigious stars and filmmakers, who will contend in the 2025 awards season. We want to pray together for the Camden International Film Festival, known as CIFF. It's an annual Documentary Film Festival based in Camden, Maine, from September 12th – 30th. Historically the documentary world is a darker world when it comes to content and stories, so let's be praying for up-and-coming documentary creators to be inspired to tell stories of truth, goodness, and beauty. Please also pray for our NEW documentary filmmaker's community group – a monthly ZOOM with doc filmmakers around the world, to pray, connect, and build each other up! If you are a documentary filmmaker and want to be a part of our new Doc Fellowship group, just email kelry@hpncemail.org!

New TV Series *The Basement Talks*

Let's pray for a provocative, tough new six-part series THE BASEMENT TALKS which follows the 1994 crimes, trial, and murder of John Salvi and the untold story of six women who are all leaders in the pro-life and pro-choice movements. They sought to ensure that this violence would never happen again. Via secret meetings in a

windowless basement, these women strive to understand the other side and forge unlikely friendships that capture both sides of the abortion debate like never before.. HPN is not endorsing this series, but we are asking that you pray that this televised true story can be one way to bring more unity in our nation, not division, over all of the issues that are tearing us apart. We believe only Jesus can bring true love and peace, but He can use television if He wants to!

Quote

"If we do not know ourselves to be full of pride, ambition, lust, weakness, misery, and injustice, we are indeed blind. And if, knowing this, we do not desire deliverance, what can we say of a man?"
-- Blaise Pasca

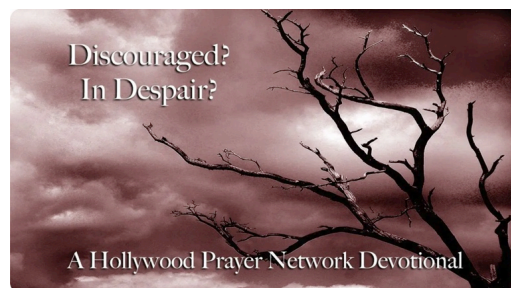

Scripture

"Living within you is the Christ who floods you with the expectation of glory! This mystery of Christ, embedded within us, becomes a heavenly treasure chest of hope filled with the riches of glory for his people, and God wants everyone to know it!"
Colossians 1:27 TPT

Weekly Devotional: Discouraged? In Despair?

Discouragement and Despair are two emotions with which the enemy attacks all of us. Would you spend time with us asking the Lord to deal with both our own discouragement and also that of those who create our culture in the entertainment industry?
