A Movement of Prayer for the Entertainment Industry

Dear HPN members,

We are back from Dallas and excited to announce more growth in our HPN national community. We are excited about the number of Believers who are speaking out about their faith, connecting in community, working together, and praying for each other and their co-workers, friends, and family. Let's start this Call Sheet with joy because God is moving and we are privileged to be a part of all that He is doing in Hollywood! Let's pray...

Also, AT THE END OF THIS CALL SHEET is where we post all of the AWESOME events and community group gatherings happening at HPN so Please KEEP READING! – including tomorrow night's Financial Zoom Seminar for Creatives!

Praises

RALLY & PRAYER AT WARNER BROS.

HPN members joined other LA faith leaders on the strike lines at Warner Bros. this month. About 40 of us walked the line, handed out HPN water bottles to the strikers, and prayed for and with our fellow picketers. It was a joyful time, bringing Jesus on the picket lines, encouraging people, and uniting in prayer for our professional community! Let's keep praying for the thousands of actors and writers who haven't worked in over 4 months. And may we see breakthrough in the negotiations very soon!

CELEBRATING HPN: MIGHTY WARRIOR ATTACK SHEEP: Myesha Reynolds

Involvement with HPN:

Myesha became involved with HPN in 2019 as a volunteer, initially assisting with the annual Christmas mailing and later participating in various other HPN events. Her transition from volunteer to employee in July of 2022 reflects her passion for HPN's mission and her desire to make a meaningful impact in the lives of professionals in the Hollywood community.

Current Endeavors:

Outside of her work at HPN, Myesha is the founder of Equity Lens Consultants where her mission is to promote equitable practices that are in line with the word of God. Through workshops, symposiums, and speaking engagements, Myesha is actively spreading a message of equitable practices that are in alignment with the word of God.

incredible Jesus loving people!

OUR MISTAKES:

We are so sorry that we misspelled Yvonne Orji's name in the last email. Please forgive us and know that we never want to misspell anyone's name. Thank you for your patience with our team.

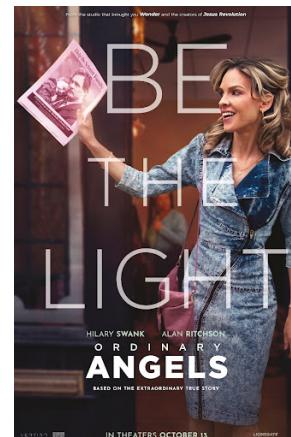

AND: We want to apologize for the wording in our last email regarding the mental toll that is taking place because of the Writers Strike. We mentioned that we need Jesus, not depression

medication and that was poorly worded and simply not true. Many people are on depression, anxiety and other medication to help stabilize depression, mood swings, or other disorders. HPN is not against medication. What we meant was that knowing Jesus through this difficult strike can be a life-saver, and that medication is not merely a replacement for Jesus. We are sorry for being mistakenly insensitive to anyone. We support you and mean no judgment!

ORDINARY ANGELS - New Release Date

With the announcement of the "Taylor Swift: Eras Tour" concert film opening in theaters nationwide on October 13, Lionsgate and Kingdom Story Company have "swiftly" decided to move the release date of *ORDINARY ANGELS*. It will now open in theaters nationwide on Feb 23rd, 2024.

DALLAS RE-LAUNCH PARTY

We had a great Re-launch of our Dallas HPN Local Chapter last Thursday night when 110 people came to the amazing EPIC Center for an evening of fellowship, connections and inspiration. We are thankful to Matt Martin who put the evening together, and we hope that if you're in the Dallas/Ft. Worth area you will reach out and we'll help you to connect to that wonderful creative community. We are also starting HPN chapters at Dallas Theological Seminary and at Capernaum Studios in Weatherford. So, let us know how we can help you to meet great creative Christians in the Dallas area. info@hpnemail.org

We got some great comments that night:
 "God really showed up tonight..."

MARK WAHLBERG'S FAMILY, FAITH & WORK

Pray for Mark Wahlberg, his wife Rhea Durham and their four children, as Mark decides to slow down a bit in his acting career in order to do more of what his heart is leading him to. His faith and the choices of films he wants to do are dictating a decision to not take so many parts, but spend more time with family, directing, producing and being more in control of his future. Let's pray for Mark as he seeks wisdom for his next steps. At 52 he wants to make wise choices and be a good role model for his children!

HORROR FILMS & CHRISTIAN FILMMAKERS

We want to pray for the people in the HORROR genre. It's a niche market across the globe and we want to actually pray for more Christians to make excellent films of truth in this genre, which allows filmmakers to deal with Good and Evil directly, without having to water anything down. There is a new podcast out of the Brehm Center at Fuller Seminary that deals directly with Horror that you should check out as you pray for Christians to infiltrate this spiritually impactful genre of filmmaking.

Please continue to pray for the creative executives at the Walt Disney company and PIXAR. Their latest animated film *ELEMENTAL*, came in as the biggest movie premiere of the year-to-date on Disney+ with 26.4 million views! Let's pray for the impact that they are having on children all over the world and for all of their future movies to lift up, encourage and inspire young people!

We thank you so much for praying with us this week. Keep expecting miracles, keep praying for Hollywood influencers, hard-working professionals and those trying to break into the entertainment industry. Everyone is a precious child of God and they need your prayers as storytellers, global influencers and prophets!

Quote

"It is not so true that "prayer changes things" as that prayer changes me and I change things. God has so constituted things that prayer on the basis of Redemption alters the way in which a man looks at things. Prayer is not a question of altering things externally, but of working wonders in a man's disposition." Oswald Chambers

"Lord, teach us to pray." — Luke 11:1

Weekly Devotional: Community

What kind of community do you live in? Do you have strong Christians around you? Are you building up the body of Christ and reaching out to those who don't know Him? We're going to focus on the importance of community and one of the reminders is that UNITY is the word that completes COMMUNITY.

God wants you in community. Ask him today to bring you into the right relationships with others as you live out His purpose and plan for your life.

SEPTEMBER KIDS AND TEENS PRAYER CALENDAR

How to use the K+T Prayer Calendar: Print it off, or email to your kids, teachers, Youth Pastors and friends. Put it somewhere (like on the fridge or in your child's school planner) where you and your child can see it and PRAY THROUGH IT together each night. Then, watch your child's prayer life GROW!

These are the girls from "Surf Girls Hawaii" and guess what? It's a docu-series, so these girls don't play characters - it's really them! Let's pray that they will make wise choices and have positive role models in their lives. Pray for direction and guidance as they make decisions in their careers. Pray for their protection in such a dangerous sport. And as always, pray that they would come to know Jesus' love for them.

Here are four more young performers who appear in the Netflix drama "The Summer I Turned Pretty". Pray that God would grant them wisdom and guidance as they navigate Hollywood. Pray that they would become positive and influential role models for others.
