### A Movement of Prayer for the Entertainment Industry

Dear HPN,

Thanks for joining us this week for our Prayer Call Sheet. In the past two weeks, our Jewish friends celebrated two holy days – Rosh Hashanah (often celebrated as Jewish New Year) and Yom Kippur (the day of Atonement). We pray that this time of fasting, reflection, surrender and prayer inspires each of you to prepare your hearts to see God move in the coming months, and choose an attitude of THANKS and Praise! There are so many opportunities to "pray without ceasing" with Halloween in two weeks, then the election, Thanksgiving, and Christmas. The end of the year flies by, and we don't want to miss a moment of opportunity that the Lord gives us to pray for people, bless them, serve them, and love them!

This month, we're particularly excited about our **GLOBAL DAY OF PRAYER** on SUNDAY, OCT. 27th. It's an event that welcomes everyone, regardless of where you are or what time it is. For 24 hours, we'll be praying via Zoom, uniting people from all over the world to pray for the global media and entertainment industry's people, projects, and issues. We urge you to take the time to join us. Just visit [www.prayformedia.com](http://www.prayformedia.com) to get the link and be part of this global prayer movement. Your prayers matter, and your presence would mean so much to us!

Also, HPN is offering **21 Nights of Thanksgiving** from November 1st – the 21st on Zoom from 7:00pm – 8:00pm PST. We want to be THANKFUL to the Lord for 21 nights straight, in preparation for Thanksgiving. So, from anywhere around the

world, you can join us on Zoom for that one hour. Each night is led by different HPN members, who highlight different topics. Join us, and believe that Thanksgiving and Praise lays the foundation for MIRACLES! If you are interested in **HOSTING A NIGHT OF THANKSGIVING** – please email [kelry@hpnemail.org](mailto:kelry@hpnemail.org).

**Professional Discipleship Program**

Building up Christian Professionals in the Entertainment Industry

MORE INFORMATION      [jean@hpnemail.org](mailto:jean@hpnemail.org)

### **\*NEW\* The Professional Discipleship Program is HERE!**

HPN is very excited to let all of our praying and professional community members know that we are launching the **HPN PROFESSIONAL DISCIPLESHIP PROGRAM (PDP)** in January 2025. This program matches veteran industry professionals with younger working professionals in an in-person LA local mentor/discipleship relationship. The goal is to pour into the next generation of professionals in the entertainment industry with the love of Jesus. We'll start with an industry-wide Launch event on January 16th (MARK YOUR CALENDAR!), followed by a 7-week Intensive Workshop for up to 50 potential mentees, and then a 6-month Mentorship/Discipleship relationship for 12 chosen mentors and mentees. If you want to learn more about this thrilling new program, please email [jean@hpnemail.org](mailto:jean@hpnemail.org).

We are thankful that 11-year-old North West is a future Gen Alpha dynamo in the entertainment industry. The daughter of Kanye West and Kim Kardashian, North boldly spoke of her faith and trust in God when interviewed by her mom in a recent video. Be praying for North as you watch this video on HPN Instagram, and pray through the scripture that says: "He who has begun a good work in you will complete it until the day of Jesus Christ;". –Phil 1:6

## Jay Pharoah – Jesus Piece and Christian Comedy

HPN wants to praise God for comedian Jay Pharoah, who is not only a bold Christian but was just interviewed all about his white gold cross that he always wears and what it means to him as a comedian. We are so grateful for Jay's vulnerability and openness with his faith. May we pray for continued strength, wisdom and favor as his career and his faith grow!

## *Updates*

### Prayers Needed in Hurricane Aftermath

Please continue to pray for our many Florida HPN members who have been hit by the Hurricane. We have gotten reports of home damage and lots of evacuations, and people still don't know the extent of their damage. So, let's keep praying for the Lord to take care of them and give them wisdom and strength to deal with this natural disaster. And please pray for the news to not exploit the damage, but tell the reality of the situation!

### Thank you for Praying for Justin!

We got such an amazing and loving response from our post in the last Call Sheet about Justin Bieber that we want to continue praying for

him, praising God for him, and lifting him up. Listen to this beautiful song he sings on his tour. Justin loves Jesus and we need to walk alongside him in loving prayer. He knows the stress of being famous, because Jesus is the only one meant to get the glory. We should not judge, we should not idolize, we should PRAY! Listen to this performance of "Purpose" as you pray for Justin, Hailey, and Jack!

## The Variety Intelligence Platform

There is so much growing activity and response to AI that Variety has started a platform just to update the industry on this explosive issue. Please continue to pray with us for the growth and influence of AI as we update you on the needs, changes and decisions!

### Ryan Murphy Needs our Prayers

Let's pray for Writer/Producer Ryan Murphy. He is currently the industry's most prolific TV producer, with six hit shows airing across four streaming platforms and networks. These shows include the popular anthology series, *American Horror Story*. Ryan has a huge task as writer/producer and yet, with his staff and crews he continues to create hit television. But we want to pray for Ryan's heart. His influence is global and yet, without the love of Jesus, it is ultimately meaningless. God has given him so many talents and gifts, so let's pray for him, his heart, his writing and his influence. May God get the glory and may Ryan feel His pleasure

## Playing Jesus Weighs on Jonathan Roumie

Pray for HPN member and dear friend Jonathan Roumie. He is so in love with Jesus, and yet admits

that playing the role of Jesus in *The Chosen* can be very difficult for him. Let's lift up his arms as he's making an eternal difference, and let's ask the Lord to fill Jonathan every day with His strength, joy, wisdom, discernment and understanding. As you listen to this beautiful interview, remember how hard it is to be a celebrity in our world, and then portraying Jesus Christ is even harder. We want Jonathan to physically, emotionally and spiritually feel our love, our support and prayers!

## Artists and Creatives Still Struggling...

The entertainment industry has not yet recovered from both Covid and the WGA & SAG strikes, as many companies and studios continue to lay off employees, shorten their list of active projects and hesitate to purchase new material. And struggling industry professionals also have to pay exorbitant rent or mortgages in a housing market that is out

of control. LA has the 2nd highest homeless population in our country, right after NYC. So, we need prayers for many industry pros who have to sell their houses, live on friend's couches, move to cheaper states or even find new careers in other businesses, in order to pay their bills and support their families. Please pray for industry pros to be able to afford housing and food for themselves and their families. In 2024 it's a tragedy to know professionals who are becoming homeless in one of the greatest cities in the world. Chris York is a typical struggling artist in LA who tells his story:

Karen, Kelry and Myesha

### Quote

"I've found that as somebody who is generally pretty anxious I didn't spend enough time celebrating the good things.

### Scripture

"So do not worry about tomorrow; for tomorrow will care

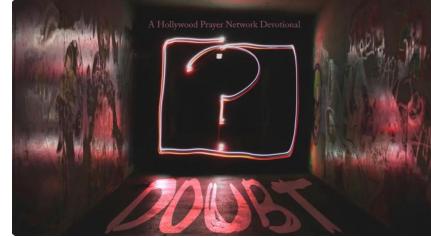

I always worried about the next thing. So I would tell my younger self worrying is a wasted energy, be passionate, have a fire under yourself, never stop working hard, but worrying is not something you should do." —Josh Groban

for itself. Each day has enough trouble of its own."

## Weekly Devotional: Doubt

I think one of the greatest plights of man is this phrase: "I do believe; help me overcome my unbelief!" We believe God completely in some circumstances and then we doubt Him a moment later by getting fearful, angry, or discouraged. This week we're going to dig into doubt and ask the Lord to grow our faith so that we can move mountains!
