A Movement of Prayer for the Entertainment Industry

Greetings from Hollywood!

We are excited for another week of prayer requests so that we can all pray together for the people, the projects, and the issues in Hollywood. God is moving in our industry and we want to encourage you that your prayers are making an eternal difference. I just got off the phone today with a producer who thanked HPN for praying because he is seeing more films and TV shows produced with faith elements than ever before. THANK YOU!!! LET'S PRAY.....

Also, AT THE END OF THIS CALL SHEET is where we post all of the AWESOME events and community group gatherings happening at HPN so Please KEEP READING!

Praises

Kat Von D is a New Believer

Kat Von D, the most famous Tattoo Artist in the country, recently became a Christian and got baptized! Kat is a brave new follower of Jesus and yet she just posted that after her baptism it surprised her that it wasn't the atheists who got angry at her, but it was the Christians; questioning her sincerity, judging her dress and making nasty comments about her decision. HPN is asking all of you who are reading this to please not judge Kat or anyone, especially a new Christian! And please tell anyone who does that to stop. We are praying that HPN members are known for our love, not our hate or judgment. Listen to the love in Kat's heart when she talks about what Christians have said to her after she became a Christian. And let's praise God for her decision, and pray for her to grow in her faith every day! This is a time to rejoice, not judge. THANK YOU!!

SAG/AFTRA Continues to Strike

We were hopeful that the SAG/AFTRA strike would end last week and now it's not looking good. We have to pray for both the AMPTP and SAG/AFTRA to come to terms by being willing to compromise in what they want. DGA and WGA are good to go. Now let's ask the Lord to bring

SAG/AFTRA and the AMPTP together in a fair decision! You don't realize that what happens in Hollywood affects cities across the globe. Watch this news piece from Buffalo, NY, talking about how the strike is negatively impacting their city. We need to pray for the Lord to intervene because millions of people are hurting across the country during this strike:

Britney Spears

Britney Spears is in need of continued prayer as she releases her "tell-all" book, *"The Woman in Me"*. In the book, Britney addresses painful experiences throughout her career, including the conservatorship, having her children taken from her, a secret abortion, and shaving her head. Britney needs healing, and she also needs the support that she has never gotten from the Christian community. We are the ones who can pray that she will find healing and restoration in the arms of her faithful, loving Heavenly Father.

Pray for Israel

We ask you to pray for the peace of Israel. Our Jewish associates, co-workers, bosses, friends, and their families are hurting both in Israel and here, as they lose family members and friends. And we want to walk alongside them with love and compassion for all that they are going through. May the Lord reveal Himself to them in miraculous ways! And we ask for prayer for our friend and HPN Local Chapter Director in Jerusalem, CBN News Middle East Bureau Chief Chris Mitchell. May he be safe as he leads his news teams during this tumultuous time.

A Faith-Based Video Game

Pray for the impact that the Chinese best-selling video game based on a trilogy of excellent novels *Three Body*, is having on the players across the globe. The game, which is a science fiction trilogy written by Liu Cixin, is based on a Christian's desire to

combine science with Theology through his own faith. A review of the books

says: "He also possesses a reasonable knowledge of the Bible, in particular the founding myths in Genesis 1–3. This is particularly surprising since in China, Christianity is essentially forbidden." Let's pray that this video game influences its players to move one step closer to Jesus!

Taylor Swift is on Top

American singer–songwriter Taylor Swift has broken all box office records with her *Eras Tour* film that even pushed back the dates of two faith-based films from opening last week–end because of Taylor's overwhelming sales. Let's pray for Taylor, as the #1 top–selling female star of all time, and for the single female audience in America, which is now leading the box office numbers! There is a spiritual shift in our culture today and we want to pray for everyone involved. And Taylor knows Jesus so we ask that He holds on to her through her fame, and that she holds on to Him!

Tom Hanks' First Novel

HPN loves Tom Hanks and his positive impact on the world through both his films and his life. Tom is a man of faith, of integrity, and with a respect for all people. He has just come out with his first novel, *The Making of Another Major Motion Picture Masterpiece*, and we want to pray that Tom continues to be creative, loving, and eternally impactful with his choices, actions, words, and relationships. Thanks for being a class act, Tom!

Below is the podcast interview with Tom about his new novel.

Actress Jada Pinkett Smith just released her memoir entitled "Worthy." In the book, Jada opens up about her relationship with her estranged husband Will Smith, and the struggles, joys, and lessons she's learned in life so far. Let's pray for Jada, Will, their children, and the brokenness that has plagued their desire for a strong family. May they discover Jesus on their journey.

Pray for Hollywood Prodigals

Let's pray today for the many PRODIGALS who are in Hollywood. So many creative professionals grew up in the church, came to Hollywood, and fell away. We want to ask the Lord to heal family hurts, church hurts, and anything else that pulled these people away

from the Lord. And we believe that they are coming back. Here are some known children of God who are currently not following Him: [Vanessa Hudgens](#), [Demi Lovato](#), [Miley Cyrus](#), and [Bella Thorne](#). We pray the Lord's promise over these and others we know: "Train up a child in the way he should go, And when he is old he will not depart from it." Proverbs 22:6

Thank you so much for praying with us this week. We want to recommend you get more involved with your incredible HPN community. If you are not in LA then check out our [Local Chapters](#) and reach out to the Director near you to say hi or to pray together.

If you are in LA we recommend you get involved with our incredible community. Three upcoming events you should attend are: Our [D.E.I. Symposium](#), [Measure For Measure](#) for composers, songwriters, and musicians, and a new 3-week class, [Home Improvement & Hospitality](#). Read below for more details and we'll see you next month!

Our special guest on the ChangeMakers Podcast this week is Producer Carrie Certa and Pastor Dave Stambaugh. Carrie talks about showing up in Dave's church with

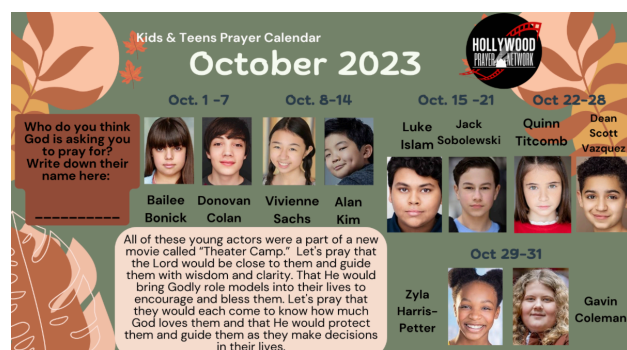

great reservations about going to church and feeling right at home the moment he started preaching about "Star Trek" in his sermon. The use of pop culture in his sermons is what made her stay, learn, and grow in her faith. Hear their incredible conversation about TV, film and God, all because Pastor Dave analyzed television from the pulpit.

Written by HPN member, Peyton Hoffman

RADIANT is for anyone who's ever been told that it's better to hide than shine. It's for the ones who've let fear pull a blanket over their faith. It's for those who've held back, but yearn to break free. It's for all the men and women who've wanted to step into more but have been stuck– questioning whether or not the world really needs their light. If this sounds familiar, then RADIANT is for you.

CHRIS REED

On Aug 20, 2023, while preaching at Morningstar Church in Ft. Mill, SC, Chris referenced a 2019 prophetic word in which he was shown a shaking was coming to CA along with torrential rains and flooding. When this happened, it would be a time marker for the great outpouring of the Holy Spirit upon CA. He then said that word was being fulfilled even as he spoke, as tropical storm Hilary was bearing down on Southern California. Exactly five hours and one minute after he made this declaration, a 5.1 earthquake centered in Ojai rocked the southern California region. And indeed, we have watched for months thousands being baptized at Pirate's Cove just as it happened in the days of the Jesus movement. Prophetic signs and natural confirmations are converging! Please join us as Chris ministers and further shares what God is saying about CA, and the nation!
