Honoring Quincy Jones

We want to honor the late, great iconic Quincy Jones; singer, composer, producer, and arranger who passed away November 3rd at age 91. In a [1985 interview with Oprah](#), Jones expressed that he had a near death experience where he “saw God and the end of life”, but in recent years he denounced being affiliated to any type of religion. We pray that at the end of his life, Quincy found peace with Jesus and gave his heart fully to Him. We know that our accomplishments in this world pass away, but only our faith in Jesus and our love for others is what matters to God. Let’s pray for Quincy's family and loved ones, friends and fans; that they would find comfort in Jesus during this time. Let’s also be praying for revival in the music industry– that all music professionals can find hope, redemption and life in Jesus while still on this earth!

Robert G. Lee

Today we want to highlight a faithful member of HPN’s Upside Down Comedy group. Robert G Lee has been one of the best “warm-up” guys for live Sitcom audiences for decades! Rob is a faithful husband, father, friend, a leader in our Comedy Group and a faithful follower of Jesus. We want to thank Robert for his excellence in his work, his depth of faith and his love for other people all throughout his career. Robert is a gem in our industry and in our Christian community. Let’s pray for continued favor as he works, serves and lives in Hollywood as a beacon of light!

Praise God for British Actor David Suchet

We love celebrating new believers in the global entertainment industry! So let's pray for David Suchet, the British actor known for his starring role in Agatha Christie's "Poirot", who has become a Christian and lives out the heart of Jesus in London. The reference to his faith is at the bottom of the article. Please pray for David to have favor and influence in the British creative community and to grow in his faith as he works in Theatre, Television, and Film in London and around the world!

Requests

Pray for Paul Mescal

We want to pray for actor Paul Mescal, star of *Gladiator II* alongside Denzel Washington, and a rising star in Hollywood. In a recent interview with GQ Magazine, Paul says that he has a gut feeling that he will not live a long life. Global publications have now been spreading his quote of believing he will die young, and we want to pray against the power of these words. We want Paul to meet Jesus and live a long life serving Him and making a difference in this industry! As you go to see *Gladiator II* later this month, will you keep Paul and the entire cast and crew in your prayers?

#PayUpHollywood

Industry Assistants are boldly speaking out about their unfair pay, unreasonable hours and abusive

treatment as they assist TV Show Runners, Executives and Producers in our industry. Let's pray for employers to recognize that Assistants are crucial to any production and they need to be fairly compensated for their work and treated with respect. And we ask the Lord to give Assistants the strength that comes only from Jesus, to say NO to any unreasonable treatment and to trust in Him to supply for them financially in their careers!

Finally Some California Tax Incentives

The Hollywood entertainment industry is in desperate need of help to save our diminishing local business. For decades we have reached out to our Governors for more financial support, tax incentives, tax credits, etc. and there has been no significant support. In that time we have given away our production, first to Canada, and then to other "right to work" states across our country. Just last month we finally received a promise for some help in 2025 from Sacramento, but some say it's too late and not enough... Please PRAY for our industry to come back to California so that working professionals don't have to move away from our state to get work!

Sterling K. Brown, Ryan Bath , Psychedelics, and a Change in Faith

Let's pray for the renowned actor Sterling K. Brown and his wife, actress Ryan Bath . Both Sterling and Ryan used to vocally profess their faith in Jesus, and yet recently, they have expressed that they are expanding their beliefs to a more universal faith that they believe is more freeing than traditional Christianity. Would you join us in praying for Sterling, Ryan, and so many other actors who come into our industry with a love for Jesus, and then they wander off throughout their careers. May the Lord bring Sterling, Ryan and others in Hollywood back into His universally, unconditionally loving arms.

“Showing off is the fool’s idea of glory.” Bruce Lee

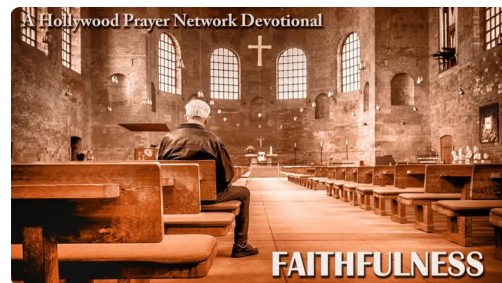

Scripture

"Living within you is the Christ who floods you with the expectation of glory! This mystery of Christ, embedded within us, becomes a heavenly treasure chest of hope filled with the riches of glory for his people, and God wants everyone to know it!" Colossians 1:27 TPT

Weekly Devotional: Faithfulness

What do you think of when someone says to be faithful? Having integrity, being a person of your word and honoring God. We’ll look at the definition and God’s Word to focus on how to be a faithful person. God tells us that if we are faithful we will “end well.”
