**Professional Discipleship Program**

Building up Christian Professionals in the Entertainment Industry

MORE INFORMATION      [jean@hpnemail.org](mailto:jean@hpnemail.org)

### **\*NEW\* The Professional Discipleship Program is HERE!**

HPN is very excited to let all of our praying and professional community members know that we are launching the **HPN PROFESSIONAL DISCIPLESHP PROGRAM (PDP)** in January 2025. This program matches veteran industry professionals with mid-level working professionals in an in-person LA local mentor/discipleship relationship. The goal is to pour into the next generation of professionals in the entertainment industry with the love of Jesus. We started last night with a powerful MENTOR MIXER. Then we'll host an industry-wide Launch event on January 16th (MARK YOUR CALENDARS!), followed by a 7-week Intensive Workshop for up to 50 potential mentees, and then a 6-month Mentorship/ Discipleship relationship for 12 chosen mentors and mentees. If you want to learn more about this thrilling new program, please email [Jean@hpnemail.org](mailto:Jean@hpnemail.org).

**Russell Brand Sharing His aith on Social Media**

We are praising God for Russell Brand and the amazing spiritual boldness and growth he's had. We know that some of you are very skeptical about Russell's new faith, but we know many people were very skeptical about Saul's conversion as well. So, we are praising God for Paul, Russell, and many other people who have walked out of darkness into the light!

## Even Australians Are Praying for Hollywood

We are praising God that a faithful prayer group in Australia has sent out a prayer newsletter on how to pray for Hollywood. Would you join them and us in praying through these points?! And thank you Lilian & Bjorn, and our other Australian HPN members. We are so thankful for all of you! Your prayers mean so much to us!

## THE BEST CHRISTMAS PAGEANT EVER

Don't miss this Christmas film that the whole family can watch! It's touching, joyful and so full of the truth of the gospel that everyone can enjoy it this Christmas! Based on the best selling book and play, this wonderful film is brought to us by our friends at *The Chosen*. You'll be glad you saw it with your kids, friends and neighbors!

## Updates

### David Buchet

We want to apologize for an error we posted in our last Call Sheet. We asked you to join us in celebration of British actor David Buchet, who is a new Christian. And we were wrong! We stand corrected, with great joy, that David has been a committed Christian for decades now! So, let's celebrate David's long time faith and pray that he continues

to have an eternal impact on everyone he works with!

## Quincy Jones

We are very sorry that our words of "honoring" Quincy Jones in the last newsletter should have been stated differently. We appreciate Quincy's music and the impact he made on the music industry. But we are saddened by some of his personal choices before he died. We hope that you will know our hearts in our Call Sheets. We want everyone to encounter the saving love of Jesus, we want to celebrate the arts and build a bridge between Hollywood and the Church. Those three goals give us a narrow road to walk sometimes and we pray that you will walk with us as we lift up the people in our industry to our loving God. Thank you for your prayers for the people in our industry AND FOR US!

### Freedom From The Occult in Hollywood!

**WATCH VIDEO  
HERE!**

We ask that you pray for all of the industry professionals who are into the Occult, Witchcraft, New Age beliefs, or anything that is not the truth of our living God, which is rampant in our industry. We need the prayers of the Saints to break through the spiritual lies that so many Creatives grab onto in their search for meaning and significance. This powerful Testimony by Influencer Chelsea Peat, tells the miraculous story of her transformation from the Occult to Jesus! Listen to her story as you pray for the thousands of Entertainment professionals who have not yet found the truth.

## The Influence of Video Games

The Video Game Awards are coming up on December 12th. Video Games are our country's largest global entertainment export! So, our prayers impact the entire world! Pray for the people

involved and the stories they create in these games! Please also pray for godly decision-makers at Sony Pictures, who announced that their Video Game sales have boosted to over \$19 Billion in the 2nd Quarter of this year. It's a major income producer for them, so we want the Lord to be guiding their plans as they continue to grow globally. And please pray for Christians in the Video Game world to find open doors for work, Christian community, encouragement, and a boldness for Jesus!

## The Phenomenon of *Bonhoeffer*

[WATCH TRAILER HERE!](#)

Let's pray for the world to learn the godly life of Dietrich Bonhoeffer through the upcoming feature film *Bonhoeffer*, coming out on November 18th. HPN member and friend Todd Komarnicki wrote the script for *Bonhoeffer* and Lauren Daigle wrote and sang the lead song, "Then Will". Dietrich Bonhoeffer was a German Lutheran pastor, neo-orthodox theologian and anti-Nazi spy, and has been hailed as a prophet and brilliant writer on the power of Christianity in modern culture. ## Mike Tyson, Netflix, and the Future of Sports Streaming

This past weekend, the world watched the Mike Tyson versus Jake Paul fight that was streamed on Netflix. Netflix reports that this was its highest rated show, with 65 million individual streams globally. The fight also drew over 60,000 fans to the AT&T Stadium in Arlington, Texas. These huge numbers make it clear that the intersection of sports, celebrities, and streaming makes a huge impact around the world. Let's be praying for Mike Tyson to give his life to the Lord, and for Christians in the sports world to stand boldly for their faith when the world is watching! And we thank God for Katie Taylor, who entered the stadium with a Hillsong worship song playing on the speakers. Wouldn't it be awesome to hear more Worship songs in the future on sports broadcastings!

Celebrity Family Members who

## Love God

Let's pray for the family members' influence on professionals in our industry who don't yet know Jesus. Did you know, just to name two examples, that Nicolas Cage's brother is a Pastor and Angelina Jolie's brother James Haven (pictured) is a Christian? Let's pray for the industry pros in the world who have Christians in their family. May the Lord use those family relationships to bring people to Him or back to Him! With God NOTHING is impossible!

## **Weekly Devotional: Hope**

HPN wants to help meet your personal spiritual needs, supply you a solid daily devotional, as well as encourage you to include praying for the people, the projects, and the incredible influence of the Hollywood entertainment industry. We see Hollywood professionals struggle with the same issues that we do. This week we're celebrating God's life-changing promise of HOPE. God tells us to hope in Him, to not put our hope in the things of the world, that suffering produces hope, and that hoping in our wealth is worthless, but hoping in Him will never disappoint us. These commands and promises are thrilling, but so hard to do. Join us in letting go of what's comfortable and embracing God's promise to put all
