Prayer for Healthy Churches to make a Healthy World:

This week as we come to God in prayer, let us have hope in our hearts for what the future may hold as we know God is watching over us. Let us continue to take to heart God's message of love, hope, and justice for a kinder and more understanding world. May we see the potential in others to become people of peace as together we want many of the same things: shelter, good health, freedom of worship, good relationships and a safe place for children to thrive. We continue to pray for peace and goodwill between neighbors and peace among nations and the world. Amen.
