Sunday School

11:00

A class for all ages!

Though Myanmar remains under severe military rule, the seminary, under the leadership of our missionary there, continues to hold classes and train individuals for ministry. Usually, our Sunday School Missionary Offering for the seminary is to cover the cost of rent, but as that need has already been met, this week's offering will go towards seminary commencement and an upcoming pastors' conference. They are also raising finances to build their own seminary building. Any money that comes in above and beyond will go toward the building fund. As voting for this month's offering was delayed until the Annual Business Meeting, offerings marked for Sunday School Missionary Offering will continue to be accepted this week.

Evening Service

6:00

Service: The Shores and Alderfers will be sharing what the Lord did in them and through them on their recent trip to Ethiopia.
