A class for all ages!

Bill & Natalie Taylor with Continental Baptist Missions are our missionaries in Cleveland, Ohio. Their outreach, CityView Church, ministers to minorities, international university students, low-income residents, struggling youth and others from a rented space right in downtown Cleveland. As the congregation grows more space is needed, so they have recently started a \$10,000 renovation project to remove the wall separating the main worship area from the fellowship area, allowing for both larger services and larger fellowship meals and events. This week's Sunday School Missionary Offering will be for that renovation project, with any amount above and beyond that need going towards rent.
