Sunday School

A class for all ages!

11:00

In Manipur, India, tribal warfare is threatening believers in three associations that partner with Regular Baptist International. In two of those associations, 11 churches have been burned. RBI partners in India need funds to buy basic needs including food, clothing, blankets and medicine. The word out of India is that in spite of these challenging conditions, people are being saved and churches are being built. This week's Sunday School Missionary Offering will be our gift to help in this India relief effort.
