A class for all ages!

Congress has declared September 30 as Bible Translation Day. In light of that declaration, next week's Sunday School Missionary Offering will be our gift to Bibles International, the Bible translation arm of Baptist Mid Missions. It is the goal of Bibles International to translate God's Word into the mother tongue of people groups that do not have the Word of God. Since we are dealing with the inspired Word of God, this work cannot be taken lightly or carelessly. It takes a great deal of time, effort, precision and money to translate God's Word. This week's offering will help in this translation process.
