A class for all ages!

Shepherds College, in Union Grove, Wisconsin, is a fully accredited, post-secondary, non-degree-granting college designed specifically for students with intellectual or developmental disabilities. Throughout the three years at Shepherds College, students will be equipped to reach appropriate independence through the development of vocational, social and life skills. A guiding principle at Shepherds College is that each individual has been designed by God on purpose and for a purpose. Students at Shepherds College have opportunity to discover the God who has designed them and investigate the specific purpose He has for their lives. Students are taught that learning and life must both be centered on Jesus Christ. Next week's Sunday School missionary offering is our gift to Shepherds College.

Prayer Request of the Month

Pray for our October/November outreach: Towanda Area School District. Pray for the salvation of staff and students; protection and safety of schools; our gospel influence as light in the darkness.

Dear Friends at IBC,

Thank you for your generous support of our poorest of the poor. This month you are helping Robi, a 6-year-old Hindu boy with a severe lung infection. Robi is slowly improving after several trips to the operating room. Meanwhile, Good News is shared on the wards. Love in action.

With gratitude,

Heather Fowler, for the MCH team
