A class for all ages!

Bibles International is the translation arm of Baptist Mid Missions. We have taken offerings in the past to help fund various translations. This week's Sunday School Missionary Offering will be for Bibles International, but rather than going to a specific translation project, it will go toward replacement laptops for the translators. Usually, the translators are nationals living in the country where the translation is taking place and they are not able to afford their own laptop. Bibles International provides the laptop to aid in the translation process, and we would like to help raise the \$4000.00 to replace the laptops.
