Sunday School

A class for all ages!

11:00

Shepherds College, in Union Grove, Wisconsin, is a fully accredited, post-secondary, non-degree-granting college designed specifically for students with intellectual or developmental disabilities. Throughout the three years at Shepherds College, students will be equipped to reach appropriate independence through the development of vocational, social and life skills. A guiding principle at Shepherds College is that each individual has been designed by God on purpose and for a purpose. Students at Shepherds College have opportunity to discover the God who has designed them and investigate the specific purpose He has for their lives. Students are taught that learning and life must both be centered on Jesus Christ. Next week's Sunday School missionary offering is our gift to Shepherds College.

Prayer Request of the Month

**November is the month of Thanksgiving. Let's remember to thank God
for His many blessings upon us.**

Dear Church Family,
Thank you. I cannot express the gratitude that I have for you all. You have been there for my entire family through cards, meals, rides to the doctor and most of all your prayers. You have touched each one of us in some way. From our Mom and Dad (Paul & Judy Robbins) with their health challenges this year to my brother (Paul Robbins) and his personal struggles, and for me with my surgeries and recovery. You have also been so kind and generous in your prayer and concern for my son's family (Adam Middlecamp) especially his daughter Kennsley with her cancer diagnosis. Your continued prayer for God's healing in His perfect timing is what has gotten each of us through the difficulties this past year and will continue to carry us through whatever lies ahead.
Deuteronomy 31:8
In His Loving Care,
Christine Middlecamp
