## Sunday School

A class for all ages!

**11:00**

Normally, our Sunday School Missionary Offering is taken the last Sunday of each month. This month, however, is going to be different. Next Sunday, December 10, The Clarks Summit University Choir will be with us for the morning service. We will have the opportunity to listen to the choir's musical presentation as well as a sermon from President Jim Lytle. President Lytle will also be speaking in a combined adult Sunday School class while the choir meets with the teen Sunday School class. Our December Sunday School Missionary Offering will be taken at that time and will be our gift to Clarks Summit University. These are difficult times for small colleges with a declining college age population. That is especially true for small Christian colleges. There is a tremendous need of finances at CSU and any help you can give through our offering next week would be greatly appreciated as CSU is preparing Christ centered and career ready graduates.
