Verse 1:

Bb

The Word of God was there before the depths were formed,

With greater grandeur than the skies that He adorned.

Bb

By untold might and ease of strength He made all that we see.

Gm

And in the blinking of an eye made galaxies.

Chorus:

Bb **F/A** **Dm** **Eb Bb** **F/A** **Dm** **Eb**

Glo - ri - a, glo - ri - a in excelsis De - o!

Bb **F/A** **Dm** **Eb Bb** **F/A** **Dm** **Eb**

Glo - ri - a, glo - ri - a in excelsis De - o!

Verse 2:

Bb

The Word of God was God Himself, in mortal frame.

Gm

His glory veiled in human flesh, a little babe.

Bb

He was the Lamb of God who came, to be our sacrifice;

Gm

The hope for all the nations heard within His cries.

[*Chorus*]

Verse 3:

Bb

The Word of God came to His own, who loved Him not.

Gm

He bore our scorn, a crown of thorns, a rugged cross.

Bb

He did not judge our many sins, nor curse us in His heart.

Gm

Behold the Son who died to show the Father's love.

Bridge:

Bb **F** **Gm** **Eb**

From the day that You arrived hope was finally in our sights

Light of Life for all to see, You make sin, like shadows, flee.

Though you died, You rose to life to raise us from our darkest night.

Bb **F** **Gm** **Eb**

Til the day Your kingdom comes “Gloria” will be our song!

[*Chorus*]
