VERSE 1

There's no other name outshining every star;
The one the planets sing in courses near and far.
It's power we behold in the things that You have made,
So with all creation we say;

CHORUS

Hallowed be Your name O God! Hallowed be Your name O God!
Now in every heart may You be set apart;
Hallowed be Your name.

VERSE 2

There's no other name that overcomes the grave;
That rescues us from Hell and turns our tears to praise.
It makes the sinner clean and is strong enough to save,
So with all Your saints we proclaim;

CHORUS

Hallowed be Your name O God! Hallowed be Your name O God!
Now in every heart may You be set apart;
Hallowed be Your name.
