## Bridge:

            C              D              Em                      D/F#  
Shall tribulation or distress take us from Your sovereign hands?

Shall persecution or the grave tear us from your arms of grace?  
            C              D              Em                      D/F#  
Will Satan, flesh, and broken world cause our souls fall away?

To all these things this truth resounds: In Christ alone our hope is found!
