PRELUDE

WELCOME AND ANNOUNCEMENTS

***HYMN #513 (1,2,4)** *Soldiers of Christ, Arise*

***PRAYER OF GATHERING** (*in unison*)

Holy, Creator, Holy Teacher, Holy Wisdom: Dare us to respond to you beyond the limits of our love. Dare us to lay aside our quick anger for a lasting curiosity and an abiding humor. Dare us to forget all the ways we can separate ourselves from others, and to learn all the ways we can bind ourselves to their challenging uniqueness. Dare us to reveal the whole of your image in us instead of a few convenient parts. Dare us to risk all that we are to become all that you wish for us. Dare us to mean what we pray.

***CALL TO WORSHIP**

ONE: God sets before us blessing and curse.

ALL: God sets before us abundance and scarcity.

ONE: God has told us what God desires for us;

ALL: Blessing and abundance.

ONE: God has told us what God asks us to be for the world;

ALL: Blessing and abundance.

ALL: We come to choose to live with wisdom and compassion. We come to be blessing, love, abundance, and mercy.

***UNISON READING**

Companion God, you have shown us what it is to be a faithful companion and true neighbor to our sisters and brothers. We almost always intend to follow where you lead. Beckon us to repent with our whole hearts when we are tempted by worldly messages of greed, violence and

entitlement. Forgive us our broken choices so that, with you, we may reveal the beauty of a universe made holy with love and respect. Amen.

BACKYARD BIRDWATCHING (AND BEYOND)

Come and learn about the interesting lives of the birds outside the window and how to identify them.

See some of the other wonderful birds that can be found around Rochester through the year, and how to start watching them.

Richard Ashworth started birding over sixty years ago in his native England, where he was active in the Royal Society for the Protection of Birds.

Since moving to Pittsford in 1986, Richard has studied the birds of our region intensively. He is a Past President of the Rochester Birding Association, for which he leads field trips to birding 'hotspots' in the Greater Rochester area.

Richard is a professional photographer, and he will share some of his many beautiful images of our local birds.
