PRELUDE

WELCOME AND ANNOUNCEMENTS

***HYMN #428 (1-4)** For the Healing of the Nations

***PRAYER OF GATHERING** (*in unison*)

Endless Love, teach us to love as you love: without lust, which treats our sisters as objects; without violence, which treats our brothers as objects; without expectation of reward, which treats our friends as objects; without greed, which treats our neighbors as objects; without hatred, which treats our enemies as objects. Teach us to love as you love; with patience, with forgiveness, with respect, with joy, with generosity. In honor of those whose love conceived us, nurtured us, upheld us, and enfolded us, we commit ourselves to love's learning and practice. May it be so.

***CALL TO WORSHIP**

ONE: I come to God's temple today to remember:

ALL: That I am – myself – God's living temple;

ONE: That the one who sits beside me is God's living temple;

ALL: That the stranger I meet is God's living temple;

ONE: That family, friends, colleagues, students, employees are God's living temples;

ALL: That even my enemy is God's living temple.

ALL: I come today to consecrate myself anew to provide a holy heart of radical welcome and to respect the holy integrity of others.

***UNISON READING**

Foundation of All Creation: Grant us the courage to sweep away the debris of unfaithful choices and to dedicate ourselves anew to the one who is our cornerstone. In his name we make this prayer. Amen.

BACKYARD BIRDWATCHING (AND BEYOND)

Come and learn about the interesting lives of the birds outside the window and how to identify them.

See some of the other wonderful birds that can be found around Rochester through the year, and how to start watching them.

Richard Ashworth started birding over sixty years ago in his native England, where he was active in the Royal Society for the Protection of Birds.

Since moving to Pittsford in 1986, Richard has studied the birds of our region intensively. He is a Past President of the Rochester Birding Association, for which he leads field trips to birding 'hotspots' in the Greater Rochester area.

Richard is a professional photographer, and he will share some of his many beautiful images of our local birds.
