

LEGACY CENTER OC

Legacy Center is a homeschool co-op operated by Father's House OC, providing a family-based learning community for homeschool students during the week. Currently, Legacy Center serves over 150 students and partners with 10 vendors to offer a wide range of core and elective classes.

In addition to hosting vendors, FHOC operates its own educational business, Learning SquadOC, which provides classes at Legacy Center. Through Learning Squad, we empower individuals to use their gifts to teach a variety of subjects, equipping students both spiritually and academically.

The Legacy Center was launched in 2022 and it continues to grow as a place where students are trained academically, spiritually, and creatively.

Our Vision for Legacy:

- Grow to 300-500 students, raising up young disciples and leaders.
- A permanent home at The HUB, a space fully dedicated to learning and faith formation.
- Investing in the next generation so they are rooted in truth and ready to impact the world.

Until our facility is ready, the Legacy Center is currently hosted at Hope Community Church in Westminster. We are praying and believing that soon it will be part of The HUB, where it can flourish and expand into all that God has planned.

Together, we are making the Father known, making disciples, and making an impact.

Join us in this journey—through prayer, faith, and action—as we step into God's vision for FHOC.

VISION WEEK

FATHER'S HOUSE OC
Making the Father Known...

MAKING THE FATHER KNOWN

At Father's House OC, our mission is simple:

Making the Father Known

Jesus came to perfectly reveal the Father, making known His character, His will, and His redemptive plan for humanity. Through His incarnation, teachings, miracles, atoning death, and resurrection, He opened the way for us to be reconciled to God and adopted as His children through faith. The Holy Spirit now continues this work, applying the truth of the gospel to our hearts, empowering us to live as sons and daughters of God, and equipping us to make the Father known to the world.

MAKING DISCIPLES

Jesus commanded us to go and make disciples (Matthew 28:19-20). Discipleship at FHOC is built on:

- **God's Word** – The Bible as our foundation.
- **Holy Spirit Ministry** – Walking in His power and purpose.
- **Fellowship** – Growing together as the body of Christ.
- **Prayer & Worship** – Cultivating intimacy with God.
- **Mission** – Sharing the gospel with the world.

Discipleship isn't just about learning—it's about becoming. It's about being transformed into the image of Jesus and walking in His power to impact the world.

MAKING AN IMPACT

Acts 1:8 tells us: "You will receive power when the Holy Spirit has come upon you, and you will be my witnesses."

We believe that true transformation starts in the heart, moves into our homes, strengthens the church, and ultimately impacts our cities.

- **Heart** – God restores us from the inside out.
- **Home** – Strong families create a strong foundation for faith.
- **Church** – A healthy church brings renewal to communities.
- **City** – When the church shines, cities are changed.

Through outreach, discipleship, and the power of the Holy Spirit, we are seeing lives restored, faith strengthened, and communities transformed.

THE HUB

The HUB is more than a building—it's a God-given vision we are pursuing in faith as a church. It's a step toward establishing a permanent home for FHOC in Huntington Beach, creating a lasting legacy of the gospel in our community. This isn't just about securing a space—it's about making room for lives to be transformed and the presence of God to impact generations.

Right now, we are actively pursuing a long-term lease for a school campus through the Ocean View School District. This facility would allow us to bring all of Father's House OC under one roof—our church services, ministries, offices, and community outreach—while also providing a dedicated space for the Legacy Center to expand and offer all its classes in one location.

The HUB will host:

- **FHOC Church Services & Ministries** – A place to gather, worship, and grow.
- **Legacy Center Expansion** – A full-scale learning environment for students and families.
- **Community Outreach** – Practical support for families, mentoring, and discipleship.
- **Creative & Educational Programs** – Sports, music, art, entrepreneurship, and more.
- **A Light in the Darkness** – A space where people come for a need but leave with an encounter with the Living God.

We are praying, planning, and stepping out in faith as we pursue this facility. Join us as we believe for God's provision to establish a permanent home for FHOC and the Legacy Center, where lives will continue to be transformed for generations to come.
