### **Moments That Matter: Decisions On The Way To The Cross**

This Lent, we walk with Jesus through the defining choices that shaped his journey to the cross — choices of trust, compassion, courage, and love. Each week invites us to reflect on the moments that matter in our own lives, where discernment meets decision and faith takes form. We'll discover how following Christ's way transforms the choices we make and the lives we lead. Pick up a printed booklet in the Narthex while supplies last or sign up for daily emails by writing "Lent Devos" on your WRC.

## **Lenten Life Groups**

*Starting February 25; 6:30 p.m.*

This Lent, step into a Lenten Life Group, meeting for five weeks beginning February 25, and join others in an engaged, thoughtful exploration of faith. Together, we will explore the theme Moments that Matter, engaging scripture and weekly reflections as we consider how small, faithful choices shape a life of discipleship. These groups are built for lively conversation, shared discovery, and learning together as we wrestle with the questions that shape our lives. Life Groups are a place to bring curiosity, listen deeply, and be stretched by perspectives beyond your own.

No preparation is required, just a willingness to show up and engage. Write "Life Group" on your WRC for more information.
