GENERATION CHANGERS

## FOOD PANTRY MINISTRY

**The Food Pantry Ministry is designed to be used for those who are in dire need of food. It is not intended to be used as a "Grocery Store" to receive food on a regular weekly or monthly basis. The food is graciously donated by the GC Church family to help those who are unable to help themselves. Thank you for understanding that in order to keep non-perishables in stock for all in need, we must monitor the distribution.**
