

BLACKSBURG
UNITED METHODIST CHURCH

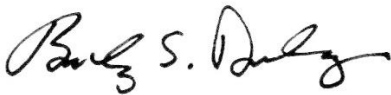

Dear friends,

I am so excited to announce our theme for this year in ministry: Becoming.

Focusing our attention over the past year on Jesus, I have seen us being changed through this relationship. Gazing into the face of Jesus Christ as though looking into a mirror, we find ourselves becoming more and more like the love that we see. But this is no mere act of contemplation. Engaged in this life with Jesus, love calls us boldly into the world. Our transformation occurs not only through spiritual practices, but also through doing ministry. Discovering the abundant resources at hand, we courageously put them to use. As companions of Christ and each other, we are co/missioned into service. Even as the state of our society breaks our hearts, we do not lose heart. "Be of good cheer," Jesus says, "for I have overcome the world!"

I hope each of you will bring the fullness of who you are to the table of grace, and seek to extend that grace to the wider world. This infobook is a resource--a guide--to help you in this work. I pray it helps you to stay informed and engaged. Please also be sure to download and log into the BUMC app (where this booklet will also be available as a PDF download). Exactly what we are becoming by God's grace may not be fully clear; but who we are becoming is beyond a shadow of doubt. May we continue to seek God, and follow Jesus, trusting in who we are becoming together.

Live alive,

Church St Goals for 2024-25

Discipleship Pathway - Advance alignment of the discipleship pathway through further integration with ministries and staffing, so that more people engaged, grow as disciples, and serve our community and world.

Community Outreach - Orient our ministries—or build new ministries—to meet people where they are so that, as our people co/mission as disciples who go out to serve, they are also inviting others to come as they are and see.

Intergenerational Relationships - Establish deeper intergenerational relationships (including those with our preschool), so that our church is able to better support people's discipleship journeys through various life stages and transitions.

Communications - Expand and enhance efforts for an effective and efficient communication plan, so that church and community members are optimally informed and invited to engage in our disciple-making mission.

COME as you are and see

The journey begins with an invitation to come, just as you are, and see what Jesus is doing in the church and in the world. (Our task is to call others to the life-changing pilgrimage of faith; this involves our ministries of communications, evangelism and outreach.)

CONNECT with God and the journey of faith

When you are left longing for more of Jesus, you return with a desire to grow your relationship with God and with others who follow Jesus. (Our task is to engage spiritual seekers such that they feel welcomed, taste life abundant, hunger for more, and are invited into the life of faith; this involves our ministries of hospitality, music and worship arts, and visitor follow-up.)

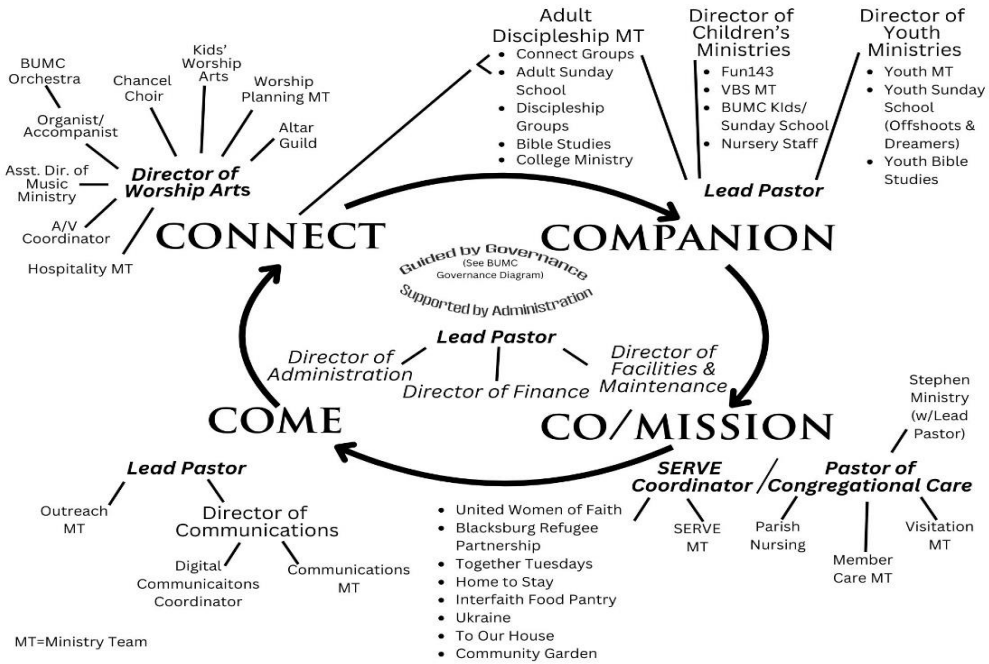

COMPANION with other apprentices of Jesus

Jesus invites you deeper into your journey with him. You apprentice yourself to others who follow Jesus, discover your gifts, go places that are challenging, and experience transformation by grace. (Our task is to cultivate a network of courageous spiritual friendships where the life of Jesus grows in each person; this involves children and youth ministries, music and worship arts, as well as the adult discipleship ministry team.)

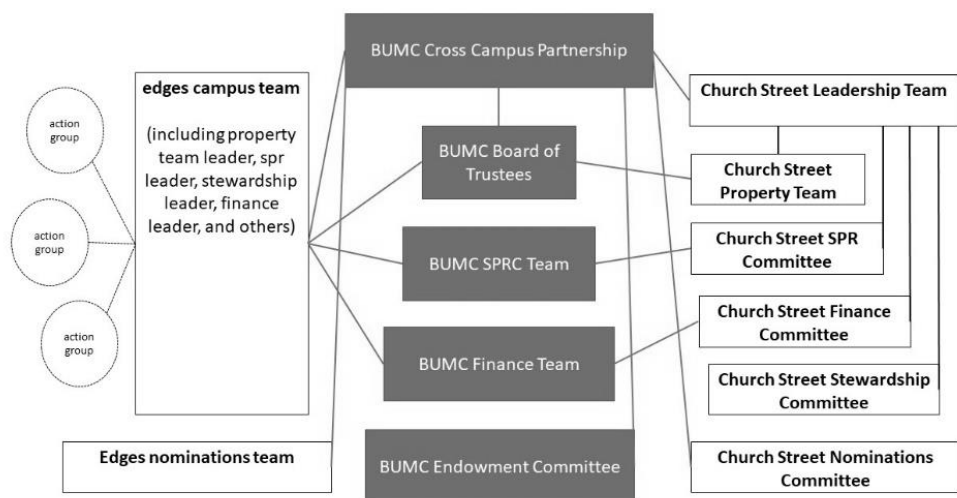

CO/MISSION as disciples who go to serve

Jesus sends you into the world to serve alongside others, bearing witness to the places where God is at work, and where the world is out of alignment with God's kingdom. (Our task is to challenge people to grow willing to cross boundaries with Jesus, and to develop a lifestyle of service through ministries of compassion and justice; this involves the SERVE ministry team, as well as children and youth ministries.)
