Barry, Wales

Short Six-Week Furlough

We arrived in the U.S.A. on the 4th of July just in time to set-off a few fireworks in the driveway! It felt so good to pull away from the demanding work in Barry, Wales and set aside some much needed time to rest and restore our bodies and souls. We enjoyed six weeks of visiting family, friends, individual supporters and 18 churches who faithfully pray and regularly give to our ministry. It was a brilliant time and we've come back to the United Kingdom refreshed and filled with a renewed passion to fulfil the mission God has for us!

Existing and New Ministry Opportunities

This month we are freshening up our buildings and preparing the way for our weekly ministries to resume. Our regular scheduled Prayer Meeting, Coffee Morning, and Totally Tots will be launching this week and we are pleased to be introducing a Youth Night for this month! We are thankful for the good witness our church has in our community and our prayer is that through this monthly event we can expand the influence of our ministry with reaching a new age category. Will you please pray that God would show favor on the first Youth Night on Sunday, September 22?

Spiritual Growth

Like with any church we have had our ups and downs, yet this month has been an encouraging one at Princes Street Evangelical Baptist Church as we've witnessed spiritual growth in several individuals. Three people have asked about becoming church members, two people have inquired about being baptised, several others have started to volunteer in our children's ministry, we've seen a surge in the desire for people to prioritise reading their Bibles, and we've felt an overall sweeter spirit in our congregation than perhaps there's been in the previous few months. We thank God for His blessings and would appreciate your continued prayers for God's work in Barry, Wales.

Family Life

Our boys, Noah and Nathan, started school on September 4th and we're in the process of falling into a new routine as a family. We're endeavouring to incorporate some crucial boundaries and priorities we made during our furlough. We'd appreciate your prayers for wisdom, consistency, and grace as we implement these safeguards to protect our family from the tricky life balance that comes along with full time ministry. As always, thank you so much for your generosity, prayers, and friendship. We thank God for you!

Yours in Christ,
Kevin, Anna, Noah, Nathan, and Amara Ruwersma
