Changing Lives by Sharing Christ, Making Disciples, Serving People, and Giving Hope

Sermon Notes: Thursday, Jan 29 & Sunday, Feb 1, 2026

We are First United Methodist Church of Gadsden, and we are called to share Christ, make disciples, serve people, and give hope. We do this so that lives may be changed in the name of Christ. One of the clearest ways in which we live out our mission is through serving people. I see it every day in your lives. Whether it be in the church (for example a ministry area or worship), an opportunity to serve our community (the ladle of love or the clothes closet), or in the way you live each day, you are people who serve. This is not only who you are, but service is also following the example of Jesus.

Jesus told the disciples that whoever wants to be great, must first serve. (Mark 10:41-45) Jesus set the example of setting aside selfish ambition, to do for others. His life is an example of service. Let Jesus' example be a tangible reminder of our call to serve. Seek a way to aid others this week. In being there for others and considering the needs of others, we will find that we not only live out our calling but are following in the footsteps of Jesus.

Sunday School: New Adult Studies

Transitions 10 am, Room 209

A new adventure begins January 11th in Room 209! You are Invited!

Practicing the Way by John Mark Comer—The disciples spent 3 years being apprentices to Jesus. They watched His every move and hung on every word. They were with Him 24/7. As a result, they, over time, became more and more like Him and began to do many of the things He did. With the Spirit's help, with John Mark Comer as our guide, and with each other as encouragers, we too can learn to walk in Jesus' steps.

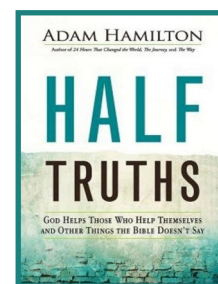

Join Rev. Dawson Harmon for this new small group study! Everyone is welcome!

Pathfinders/Seekers 10 am, Room 208

Half Truths by Adam Hamilton—Beginning in January 2026

They are simple phrases. They sound Christian—like something you might find in the Bible. We've all heard these words. Maybe we've said them. They capture some element of truth, yet they miss the point in important ways.
