

MAKING A DIFFERENCE

CORINTHIANS 8:1-7

REV. SHERRI REYNOLDS

"Building a Solid Foundation"

GENEROSITY 2026

Changing Lives by Sharing Christ, Making Disciples, Serving and Giving Hope

Sermon Notes: Thursday, Nov 13 and Sunday, Nov 16

When constructing a good foundation, every element is important. Miss a critical block and the entire structure could fail. Leave one ingredient out of your concrete mix and you may find that the base is crumbling. Go wrong with the cornerstone and the rest is out of alignment. Every step of the process is crucial to make sure you start well for building.

The church at Macedonia was an important component for the early church (2 Corinthians 8:1-7). Their sacrifice, while they struggled, made a difference for the needs of others. They were not the only ones who gave and supported. Christians through generations have given prayers, presence, gifts, service, and witness to make a difference in the name of Christ. In fact, we continue in the legacy of generosity so others will know Jesus. Each person who acts in generosity is an important part of the foundation of faith. From congregations in Paul's time until today, we each are a critical element of the foundation for building Christ's Church.

Building a Firm Foundation,

Rev. Sherri

North Alabama Conference Connectional Giving

At the October 28th Finance Team and Board of Stewards meetings, the leadership unanimously voted for First United Methodist Church to resume our support of the United Methodist Church with 10% in connectional giving. This means that the church tithes (10%) of general fund receipts to the larger United Methodist Church. Not only is this a Biblical model, but it is considered our fair share of support for the larger connectional structure. Thank you for your continual, faithful support which makes supporting mission and ministry beyond our local church possible.

—Rev. Sherri Reynolds

What is a Jesse Tree?

A Jesse Tree is a symbolic representation of the genealogy of Jesus Christ, named after Jesse, the father of King David. It is used during the Advent season to illustrate the people, prophecies, and leading up to the birth of Jesus. Each day of Advent, a Bible story about someone from Jesus's family tree is read, and an ornament symbolizing that story is hung on the tree, linking the Old Testament to the coming of Christ.

 First United Methodist Church of Gadsden

Celebration Worship, in the Chapel, 9 am, November 30
“The Jesse Tree” Rev. Sherri Reynolds

While Advent calendars are all the rage these days, First United Methodist Church is counting down this season with something ancient: The Jesse Tree. This historical way of marking off the days until Christmas, incorporates the biblical narrative, tradition, and decorating your tree. You begin with Creation on December 1 and end with the birth of Jesus on December 25. Each day of the countdown is represented by an ornament, a theme, a scripture reading, and a symbol. There are 25 themes which create a timeline leading up to celebrating Jesus’ birth. To enhance this sacred time, the church has developed a devotional written by church members. The Jesse Tree will be our emphasis this Advent season including sermon series, participation by our children’s department, a Bible Study, emails and the devotion guide. It will be another beautiful season at First United Methodist Church of Gadsden as we explore the Jesse Tree.

Want to learn more? Rev. Sherri will be offering a more in-depth explanation in her sermon on November 30 at Celebrations in the Chapel. There will also be an accompanying Bible Study on December 3 and 10 at 11am (Gathering Room) and 6pm (208). Participants will get their own set of ornaments to decorate.
