

# **THE STRONGER DECLARATION**

Today, we stand in faith and declare:

In Christ, we are STRONGER.

## **Our Identity in Christ**

We declare that we are sons and daughters of the living God.

We are redeemed, forgiven, and made new through Jesus Christ.

We are not defined by our past, our failures, or our limitations.

We are chosen, called, and empowered by the Holy Spirit.

The same power that raised Christ from the dead lives in us.

Therefore, we are growing STRONGER in faith, STRONGER in purpose, STRONGER in hope.

## **Our Families & Relationships**

We declare our families are covered by the peace of God.

Our homes are places of love, honor, and unity.

Marriages are strengthened, relationships are restored,

And generational blessings flow through us, not generational curses.

We will speak grace in our conversations and be patience in our conflicts,

And have Christ-centered love in every relationship.

Our families are growing STRONGER.

## **Our Health & Strength**

We declare that our bodies are temples of the Holy Spirit.

We speak life, healing, and strength over our physical bodies.

We receive God's renewing power; spirit, soul, and body.

Fatigue, sickness, and fear do not have the final word.

By faith, we walk in wholeness and healing.

We are growing STRONGER in health and endurance.

## **Our Finances & Provision**

We declare that God is our source and our provider.

We walk in wisdom, integrity, and stewardship.

Lack does not rule us, faith does.

We speak abundance, provision, and generosity over our lives.

We have more than enough to meet our needs so we can be a blessing to others.

Our finances are growing STRONGER.

## **Our Attitude & Character**

We declare that we have the mind of Christ.

We choose gratitude over complaint, faith over fear,

Humility over pride, and courage over comfort.

We are growing in integrity, discipline, and self-control.

Our words build life, our actions reflect Christ,

And our character honors God.

We are growing STRONGER in who we are becoming.

## **Our Soul & Emotions**

We declare peace over our minds and rest over our souls.

Anxiety and depression does not control us, God's peace guards us.

We speak freedom from fear, heaviness, and discouragement.

Joy is our strength, and hope anchors our hearts.

We are emotionally healthy, spiritually grounded,

And daily renewed by the word of God and His presence.

Our souls are growing STRONGER.

### **Our Witness: Salt & Light**

We declare that we are the light of the world and the salt of the earth.

We boldly live out our faith with love and truth.

Our lives point people to Jesus.

We are unashamed, compassionate, and courageous in our witness.

Through us, the lost are found, the broken are restored,

And God's love is made visible.

Our witness is growing STRONGER.

### **Our Church**

And now, we speak this over our church:

We declare that we are STRONGER together.

We are growing in unity, love, and community.

We are a soul-saving station, a place of hope, healing, and transformation.

We are increasing in spiritual authority, anointing, and obedience.

God is entrusting us with greater resources, greater influence,

And a greater measure of His glory.

We are abundant, we are aligned, and we are advancing the Kingdom of God.

## **Final Declaration**

Because the Lord is our strength and our shield,

We will not shrink back but we will rise up.

We will not grow weary, we will grow STRONGER.

In every season, in every area of life,

We declare: We are growing STRONGER—in Jesus' name. Amen.
