INTERNATIONAL GOSPEL HOUR

2020 Qtr 2

We are working diligently to reach the lost with the Good News of Jesus Christ. One of ways we have expanded the reach of the International Gospel Hour is by adding our content to **several Podcast services**. We appreciate **Brian Ceraolo** of the Soddy church of Christ (near Chattanooga) for helping us launch this project. You can now hear IGH anytime on Spotify, iTunes, Stitcher, TuneIn Radio, iHeartRadio, and Google Podcast. Download any of these apps to listen in either iOS or Android.

We are very excited that we are now a partner with **GBN Radio**, a division of the Gospel Broadcasting Network. The Gospel radio stations sharing the Bible's teachings air from Alabama, Florida, Indiana, Kentucky, Louisiana, Mississippi, Missouri, North Carolina, Tennessee, and Texas. The stations are owned by local congregations of the church of Christ and managed by local members. As a result, there is diversity in the programming while presenting a consistent message. **Several of these stations have already picked up IGH lessons for their daily broadcasting and we hope even more will us to their programming in the near future.**

IGH is on the air up to six days a week on approximately **90 stations** across the country. On our broadcasts we offer free literature and information to help listeners grow in Bible knowledge. We are grateful to the White Oak church of Christ in Chattanooga, TN, for providing copies of the tract, *"Something is Wrong...but the Bible is Right"* as one of items we offer. Recently we received a request for 100 of these tracts for patients in

the Mississippi State Hospital. We hope you will join with us in praying for fertile hearts as these are distributed.

As with all of you, due to COVID-19, travels on behalf of IGH have been curtailed. However, this has allowed us to spend more time in studio working on our new segment, ***A couple of minutes for Christ*** and to "store up" and get ahead with recording broadcasts. We are staying in touch with emails, texts and phone calls in continuing our plans to add IGH to "over the air" stations (**Stay tuned because we hope to have some BIG announcements coming**)

This pandemic has changed the way many congregations worship and how they have conducted their spring activities. We have been blessed to speak on a couple of online meetings for "Gather" as well as the Union Grove church of Christ in Cleveland, TN. Thanks to all of you for your encouragement and support and to God be the glory! Let's keep on, keeping on!

Many congregations and individuals of the church of Christ support the work of the International Gospel Hour and we are so very grateful for **each and every one of you**. We pray daily that we use the funds you send to us in the best way to reach the lost and encourage the faithful.

This year several new congregations have joined in supporting the work which has allowed us to expand the reach in areas like returning to WSM. We welcome to the IGH family of supporters the following congregations.

Meet the Sprague Family

IGH and the West Fayetteville congregation are truly blessed with the addition of Van and Jennifer Sprague and their three precious children, Victoria, Isabella and Christopher.

Van's work is two-fold. He serves as the Youth and Family minister at the West Fayetteville church and also works with IGH addressing the business and financial aspects of IGH in receiving and accounts payable as well as addressing various projects such as building our email list, developing our new APP and updating our website. You also just might hear Van's voice when you call our toll-free number.

Van is a 2006 graduate of the West Virginia School of Preaching and has preached in Ohio and West Virginia.
