**Luke 9:57-62 (NIV)**

**A Disciple is:**

- 
- 
- 

**QUESTION?** As a Disciple, what does God want; what is he aiming for from our lives?

**ANSWER**

**QUESTION?** If the most important thing is giving ourselves over to God's purposes and will in everything ... What is it going to take to actually do that?

**ANSWER**

- \_\_\_\_\_ become **habits**
- \_\_\_\_\_ become **character**
- \_\_\_\_\_ becomes **a life**

**Key:** we need to give ourselves over to this process **by the power of God through his Spirit in us!**

**Work at doing this, but even in your efforts - let go and let God work through you!**

- Discipline yourself to do that.

**Choose to step deeper into discipleship.**
