Wedding Application

Congratulations on your decision to join your lives together in Christian marriage! We stand ready to assist you in this time of commitment. We hope to prepare you for a lifetime of growth together and service to our Lord. Scripture tells us that marriage pictures the relationship between Jesus Christ and His church. We believe that prayerful consideration and careful preparation must be given to this decision. Marriage not only involves saying a vow to your mate, but marriage means that you are making a vow to God.

It is our desire to make each wedding ceremony a worshipful experience where two lives are joined in Christ and He is honored. Care is taken to ensure that individuals are prepared spiritually and practically for their marriage.

Believing that God has ordained marriage and that every wedding performed by us should be Christ honoring, the following questions and a brief application have been established with regard to your wedding. Please take the time to complete the application and the questions so that we may be able to better serve you in this special time of your lives.

Our prayers are with you.

Blessings,

New Season Church Pastoral Team

Pre- Marital
