

RELATIONAL VALUES

Humility

The D-Cycle is a curriculum containing content designed to establish the scriptural foundations of the faith in the life of a believer.

VISION FOR HUMILITY

Humility is one of the most important relational values that we are to embody as followers of Jesus. Jesus exemplified humility when he came to earth as a man to be with humanity. Humility is necessary in our relationships with God and others.

Key Definitions

- **Humility:** the act of adopting a lowly heart posture before God, emptying ourselves to make room for His love. It involves focusing on Jesus and uplifting others for God's glory, not for personal gain. Andrew Murray, in his book titled *Humility*, defines humility as the place of entire dependence on God.
