

MAY NEWSLETTER

I just completed my first three months as Jackson Creek's Next Gen Director!

As Next Gen Director, I oversee all aspects of Next Gen Ministry, which includes nursery, children's ministry, youth group and young adults. My heart is to disciple the next generation and equip them to grow in their faith and impact the world around them.

What we're studying...

We are diving deep into the book of Genesis, starting with Creation and walking through God forming His chosen people. This study helps students understand the foundations of their faith and God's redemptive plan. Each week I begin with a devotion or lesson, we then split into break-out groups where our leaders pour into our students, teaching them how to apply Biblical principles in their lives.

We meet Sunday evenings from 6-8 PM, and we'd love for your student to join us!

Outreach & Discipleship...

Our students are actively growing in their faith.

I aim to give them simple opportunities to share the gospel with their friends, reaching others through:

- **Collision Training**
Focused on gospel sharing and discipleship.
- **FCA (Fellowship of Christian Athletes)**
Encouraging student athletes in their walk with Christ.
- **Student-led Bible studies**
Equipping students to lead and disciple their peers.
- **Community events**
Serving and connecting with those around us. Giving even our more reserved students easy opportunities to invite their friends.

THIS MONTH

May 4TH Following Service
Dessert Auction

May 4TH 6:00PM - 8:00PM
Youth Group

May 6TH 6:00PM - 8:00PM
Roller Skating

May 18TH 6:00PM - 8:00PM
Youth Group

May 25TH 6:00PM - 8:00PM
