## What is My Student Learning?

During the month of January Pastor David Ellis will be teaching through the book of Philippians. This is also what we will be studying on Sunday Mornings. I am a firm believer that studying a passage multiple times a week bears fruit. Studying the passage on Sunday, helps us all to be better prepared for Wednesday night's lesson. Another exciting thing that will be taking place this month is Commencement for Re:generation for Students. The students in the program have spent 12 weeks growing closer to Jesus and being taught tools that they can use for the rest of their lives.

## Note from Will

I hope that you all had a Merry Christmas and a Happy New Year. Spending time with family and friends was a blessing for me, and I hope it was for you as well. I am looking forward to the Winter Retreat at the end of January. This will be a great to build relationships, grow closer to Jesus, and unplug from the busyness of our daily lives. Also, I want to give a huge shoutout to all of our Small Group Leaders. These individuals volunteer a lot of their time to invest in and disciple the next generation. If you see one of your kid's Small Group Leaders, please let them know how thankful we are for them!

## **What is My Student Learning?**

Our theme *Audience of One* continues to drive our teaching this year. Through January, Will Small will be teaching through a series covering topics that can often be avoided within church culture. The world is throwing its perspectives and beliefs at us all the time. The Church should meet all of those with biblical truth. Wednesday Nights and Sunday Mornings will teach together on all those topics.

## **Note from David**

Who is that one adult that helped changed your life? Did they come to mind quick? That one adult is what all our Small Group Leaders are available to be for your student. If you haven't connected meaningfully with your student's Small Group Leader, please do. They are here not to only support your student, but to also partner with you as the parent to train your child in the way that they should go.
