

Same-Sex Attraction
Gender Matters Week 4
October 16, 2022

Life Group Discussion Guide

A. Discussion Questions:

1. Do you have anyone in your life who struggles with same-sex attraction? What is your relationship like with him or her?
2. What stood out to you from the message? What was significant and why?
3. Are you more of a grace person or more of a truth person? Explain.
4. Split into smaller groups and have each group look through one of the four gospels (Matthew, Mark, Luke, and John). Look for examples from the gospels where Jesus demonstrated grace and truth. Come back together as a large group and share what you have discovered. If your group is small, pick one gospel to explore.

B. Response and Application:

1. Is our Life Group a grace-filled environment where individuals feel comfortable sharing their sin and struggles?
2. Is there someone in your life that deals with same-sex attraction? Is the Holy Spirit leading you to develop a deeper relationship with him or her?
3. What sin or struggle in your life do you need to share with your Life Group or a brother or sister in Christ this week? They can help you carry your burden.
