Life Group Discussion Guide

A. For Discussion:

1. Who do you know who walks by faith? What does that look like in their lives?
2. Share a story of when you walked by faith and what happened.
3. Which of the six points was most meaningful to you and why?

Walking by faith...

- Starts with believing God exists and that He rewards those who seek Him.
 - Involves taking steps of obedience that “the world” would consider foolish.
 - Involves stepping out even when we can’t see beyond the next step.
 - Involves trusting that God will fulfill His promises in heaven.
 - Is how God’s purposes are accomplished.
 - May involve suffering and does not guarantee “success” in this life.
4. Read Hebrews 11. Which is your favorite verse and why?
 5. What can you learn about faith from verses 1-5?
 6. What can you learn about faith from the example of Moses in verses 23-29?

B. Application and Response:

1. Why do you have trouble trusting (having faith) God in certain situations?
2. Share a situation where it required you to walk by faith. Then pray for that individual.
