CFMI CHILDREN HOME UPDATE

God's Light Illuminates Our Children's Path

Greetings to you in the precious name of our Lord Jesus Christ.

We are pleased to share a wonderful update from CFMI based on a recent report from Vikram. A few of our children had been having trouble reading and focusing on their studies. They often had to hold their books very close to their eyes, which raised concern about their vision.

By God's grace, appointments were arranged with an eye specialist. After careful examination, the doctor found that the children were experiencing vision problems such as short-sightedness and long-sightedness. Optical glasses were recommended, and we are thankful to report that the children have now received them. Praise God, they can read clearly and continue their studies with confidence and joy.

We also request your prayers for another educational tool. To further support the children's education, we would like to purchase a white digital board, which will greatly improve teaching and learning in the classroom. We trust God to provide this resource in His perfect time.

Additionally, some of our children will soon be taking their 10th-grade examinations. We humbly request your prayers for them—that the Lord will grant them wisdom, peace, good memory, and success in their studies.

Thank you for standing with us in prayer and support. Your partnership helps us care for these children and guide them toward a brighter future, both academically and spiritually.

Prayer Request:

We humbly request you to keep these children in your personal prayers:

1. Pray for their continued health and clear vision.
2. Pray that they will grow in wisdom, knowledge, and in the Word of God.
3. Pray that God will bless all those who support and stand with CFMI Ministry.

"The Lord is gracious and full of compassion, slow to anger and great in mercy." — Psalm 145:8

Thank you for standing with us in prayer and love.

CFMI STREET EVANGELISM

Greetings in the precious name of our Lord Yeshua the Messiah.

We are pleased to share a blessed report from the CFMI Street Pastors Conference held in Kavala Kuntha Village. Many pastors gathered with a hunger to hear the Word of God. During the sessions, the Word was preached, prayers were offered, and hearts were encouraged to continue faithfully in street evangelism and ministry among the unreached.

A special burden was shared regarding the need for Bibles for street evangelism. Many pastors and believers requested Bibles so they can continue sharing the Gospel in their villages and on the streets.

We praise Yeshua for His provision. One beloved fellow Fringer gave a generous donation to help us purchase Bibles for this purpose. At this time, the Bibles are temporarily out of stock in the nearby stores. As soon as they become available, we will purchase them and distribute them to those who have requested them so the Word of God may continue to spread.

We thank all our prayer partners and supporters for standing with this ministry. Please continue to pray:

- That the requested Bibles will be available soon
- That pastors will be strengthened in their calling.
- That many souls will come to know Yeshua through street evangelism.

“Your word is a lamp to my feet and a light to my path.” – Psalm 119:105

PLEASE CONSIDER SUPPORTING US

The area we live in is impoverished. There is not a lot of opportunity to make enough money to support the ministry work we are or would like to do. That is where you come in. What you can make in one day, or so, of working takes us a week or more. When you help us, you are doing something we can't do on our own. That is to supply the financial support needed to take care of the children and our general needs.

There are 24 boys living with the Yamarthi family, and additional children are periodically blessed by the family through support of food and clothing.

*It costs close to **\$150/month/child** to provide food, clothing, lodging, school supplies, transportation, medical care, resources for the kitchen, and extra help when needed.*

Our other needs, general support, varies. These funds are used for evangelism outreach and our families' personal needs. The donations for this category tend to fluctuate.

FEBRUARY REPORT: *With the help of our supporters, we have been able to meet all our needs for the Children's Home this past month. We have insufficient funds for food and all the other expenses we incur. We have been so blessed by your support!*

CFMI NEW BUILDING UPDATE

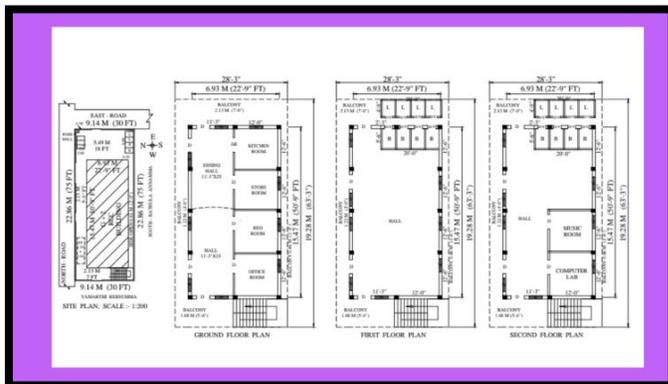

“Unless the Lord builds the house, they labor in vain who build it.” – Psalm 127:1

Shalom to you in the mighty name of Yeshua!

The new CFMI Children’s Home is about 80% complete. We still need to fully finish the first story. This includes final structural work, essential materials, and necessary furnishings for the children. This home will be a place of safety, love, discipleship, and growth for the precious children the Lord has entrusted to us. Unfortunately, we have run out of financial resource; therefore, construction has stopped at this time until we can raise the rest of the money to complete the building.

We are thankful that both our India team and the American team are working together faithfully—praying, planning, and raising support—so that this vision can be completed for the glory of God. We trust in the Lord’s faithfulness, and we believe He will touch the hearts of those whom He chooses to stand with us in this final step. If anyone feels led to support this project or would like more information, please feel free to reach out to our CFMI Board Members or the CFMI India team. Your encouragement, prayers, and partnership mean more to us than words can express.

Thank you once again for standing with CFMI and for believing in the work God is doing in India. Together, we are building more than a structure—we are building hope, shaping futures, and raising a generation for Christ.
