Laurel Ridge Church Worship and Tech Team Qualifications

A general list of qualifications requires of worship and tech team participants:

1. Committed to Laurel Ridge Church – The regular, ongoing, and leadership natures of this ministry requires a strong commitment to the people and leadership of this church.
2. Spiritual Maturity – This is a leadership-type ministry, and therefore it is important for team members to demonstrate a degree of spiritual maturity and a desire to continually grow deeper in their own relationship with Jesus.
3. Lifestyle of Purity and Godliness – Because this is a leadership position, it is important to set an example of godliness and purity (1 Timothy 4:12, Ephesians 4 and 5, especially 4:1 and 5:1-4).
4. Musical / Technical Expertise – The musicians and tech members need to be skilled enough (and/or able to be trained) to follow and keep up with the musical/technical demands of the service. The goal is to “limit” obstacles and distractions in our worship services that can arise from poor execution, preparation, etc.
5. Time Commitment – Rehearsal times and Sunday morning preparation are mandatory and expected unless otherwise discussed with your leader. In addition, there may be seminars, special retreats, etc. that require your attendance. Current times are: Thursday evening rehearsal from 6:15-7:30pm, and Sunday morning 7:45-8:30am.^a
6. Support of Family – It is important and preferred that a worship/tech team member’s immediate family be willing to accept the necessary time commitment and be supportive of the individual’s ministry.^b
7. Ability to “Flow” with the Team – It is important to the dynamics, ministry, and morale of the group that all team members strive to work effectively with one another and under the leadership of the worship minister. God hates discord among His people (Proverbs 6:16-19) and loves unity (Psalm 133:1-3).

^aEmergences and other needs tend to arise occasionally. As a rule of thumb, please inform the worship rehearsal leader of necessary absences.

^bIn certain instances, flexibility and grace may need to be extended here. These instances will be handled on a case by case basis through communication with the worship minister (and/or other ministers, if necessary).
