

Hosanna, Hosanna [Lyrics, 120 bpm, 4/4]

[Default Arrangement] by Eric McAllister

V1, V2, C, V3, V4, C, B, C

Verse 1:

We suffered under silent idols,
Ages of sorrow prolonged;
Then came a Savior whose arrival
Would fill the world with song

Verse 2:

Heaven had promised, Heaven answered
With a gift we could not dream:
Jesus, the Hand of God's salvation,
Jesus, the King of kings.

Chorus:

Hosanna, Hosanna!
The King of Glory
Jesus, the only God who saves
Hosanna, we sing of Your might and mercy,
How excellent is Your name

Verse 3:

What other god would span such distance,
By taking on flesh and blood?
Only the Prince of Lovingkindness,
Broken in death for us.

Verse 4:

Up from the grave He rose in power,
Soon we will see Him revealed;
Then every soul will bow to honor
Jesus, unparalleled!

Chorus:

Hosanna, Hosanna!
The King of Glory
Jesus, the only God who saves
Hosanna, we sing of Your might and mercy,
How excellent is Your name

Bridge:

Who compares to You, Lord, among the gods?:
Hosanna! The King of glory!
To your name alone saving strength belongs:
Hosanna! The King of glory!
And the earth shall sing when you come again

Hosanna, Hosanna - V1, V2, C, V3, V4, C, B, C

Hosanna! The King of glory!
All authority in your nail scarred hands
Jesus, forever worthy!
