

Refiner (Be Sweeter than the Lure of Sin) [Lyrics]

[RCF Arrangement] by Eric McAllister

V1, V2, C, V3, V4, C, B1, B2, V5, C

Verse 1:

Be sweeter than the lure of sin
And this my only joy:
Relinquishing the whole of me
To your holy employ.

Verse 2:

My lust, my fury and my pride,
Every rebellious whim,
Deserve no right to hide, so I—
Devote them to their end.

Chorus:

Refiner, All-Consuming Fire,
Burn away what's earthly in me
And have Your way;
Refiner, come and purify the
Longings of my heart and captivate me
By Your grace!

Verse 3:

Search me and know me Holy Ghost—
You know the mind of God!—
You, who can seize infinite things,
Exhaust each secret thought.

Verse 4:

Turn over tables in my heart,
Where I would sell my soul;
Refine me 'til a hallowed zeal
Consume my flesh and bones.

Bridge:

And who shall stand
When the Son of Man
Comes suddenly...
To judge the quick and dead?

Bridge 2:

But the pure in heart,
They shall see their God,
All beautifully...
Arrayed in righteousness!

Verse 5:

Daily, O God I need Your grace,
Glory is worth this war—
All to see Jesus face to face,
Where sin will be no more!

Chorus:

Refiner, All-Consuming Fire,
Burn away what's earthly in me
And have Your way;
Refiner, come and purify the
Longings of my heart and captivate me
By Your grace!

(Repeat **Bridge** to End)

Bridge 3: I wanna see Jesus
I wanna see Jesus
Burn away what's earthly in me
And have Your way
I wanna see Jesus
I wanna see Jesus
Purify my heart and
Captivate me by Your grace
