

# Your Word Is Everlasting [Lyrics]

[Default Arrangement] by Eric McAllister

V1, C, V2, C, V3, C

## Verse 1:

God you spoke into the darkness,  
Filling empty space with light,  
Causing earth to yield its bounty  
And the seas to teem with life;  
You have spoken on the mountain,  
There You uttered Your commands,  
Words of life to guide Your people,  
To a lasting promised land.

## Chorus:

Lord we trust in your Word,  
For your Word is everlasting, everlasting,  
We won't fear though the oceans roar  
And the heavens pass — Your Word will last;  
It stands from age to age,  
Ever true, always the same;  
Lord we trust in your Word  
For your Word is everlasting, everlasting.

## Verse 2:

You have spoken by the prophets,  
Of a Holy King who'd come  
As a Lamb to bring atonement,  
Through the shedding of His blood;  
You sent forth Your great salvation,  
Jesus Christ, the living Word,  
And the echoes of redemption  
Shall forevermore be heard.

## Verse 3:

You have spoken by Your Spirit  
And Your light now fills our hearts—  
Truth unchanged and truth unchanging,  
Like a beacon in the dark;  
We are resting on the promise  
Of a city yet to come,  
Where we'll see Your Word Incarnate,  
Christ eternal, on the throne!
