New Mission Opportunity!

White River Baptist Association

is excited to share a new outreach project!

We are working in cooperation with the Arkansas Disaster Relief Ministries to convert a utility trailer into a construction trailer that will be used to serve people in our community

This trailer will help support projects such as home repairs, building wheelchair ramps for handicap accessibility, and other much-needed improvements for those who are unable to do the work themselves.

We are reaching out to our churches to ask: **Do you have any items on our needs list that you no longer use and would be willing to donate?**

Every tool and supply will help us better serve others.

Please take a look at the list of needed items and prayerfully consider supporting this mission. If you have any questions or would like to donate to this project please contact **Greg Mills at 870-421-0324.**
