---

# Wives submit to your husbands

---

Ephesians 5:22-24

What is submission in a  
Christian marriage and why  
does Scripture call for it?

---

# Four Observations about the Context

---

1

Paul is giving specific relational examples of what it means to submit to one another.

---

Eph 5:21

2

Christian submission is  
compelled by  
our reverence for Christ.

---

Eph 5:21

3

The specific relationships he is addressing submission within is that of the household.

---

Eph 5:22, 25; 6:1, 4, 5, 9

# 4

The context of all these relationships is within a Christian home.

---

Eph 5:22, 25; 6:1, 4, 5, 9

# The Contour of the Passage

---

# The Command

Wives submit to your own  
husbands.

---

Eph 5:22a

How

As to the Lord

---

Eph 5:22b

Why

For the husband is head of the  
wife

---

Eph 5:23a

# In What Way

even as Christ is head of the  
church, his body, and is himself  
its Savior

---

Eph 5:23b

# Summary

Now as the church submits to Christ, so also wives should submit in everything to their husbands.

---

Eph 5:24

In everything?!

---

Submission can be abused  
because the wife is in a position  
of vulnerability.

---

# What does submission mean?

---

Eph 5:22

Submit = To Order + Under

---

Matt 28:16

1

Submission is a choice.

---

2

The motivation for submission  
has to be determined to  
understand why you would  
submit.

---

What submission in marriage  
does NOT mean.

---

1

It does NOT mean that the husband is always right.

---

2

It does NOT mean  
that the wife must do whatever  
the husband wants.

---

# A Biblical Test Case: Submission to Governmental Authority

---

Christians are to submit to  
governmental authorities.

---

Rom 13:1-7; Titus 3:1; 1 Pet 2:13-17

Christians submit to  
governmental authorities  
because they submit to God.

---

Rom 13:1-7; Titus 3:1; 1 Pet 2:13-17

# Biblical Examples of Civil Disobedience

---

- **Hebrew Midwives** (Exod 1:17-21)
- **Moses' Parents** (Exod 2:1-2)
- **Shadrach, Meshach, Abednego** (Daniel 3)
- **Daniel** (Daniel 6)
- **The Wisemen** (Matt 2:23-28)
- **Peter & John** (Acts 4:18-20; 5:29)

Therefore, Christians submit  
to governmental authorities  
unless it requires them  
to do evil or defy God.

---

3

It does NOT mean that the husband is more qualified to make the decision.

---

4

It does NOT mean that the wife  
should support the husband  
even when he is sinning.

---

“I disagree with my husband so  
I won’t do it.”

---

# This may be entirely legitimate.

---

1 Sam 25 - Abigail  
Acts 5:1-11 – Sapphira

Why do you disagree with your  
husband?

---

5

It does NOT mean that the husband is more intelligent.

---

6

It does NOT mean that the husband is to be domineering over his wife.

---

It does NOT mean the husband  
can demand and have his wife  
do whatever he wants.

---

8

It does NOT mean that the wife  
is to “just take it.”

---

9

It does NOT mean that the wife  
cannot speak up and disagree  
with her husband.

---

10

It does NOT mean that the wife  
cannot make more money than  
her husband.

---

What submission in marriage  
DOES mean.

---

1

There is no area of the marriage  
the wife should not look to  
submit to her husband in.

---

2

The wife should diligently and intentionally seek to show her husband respect.

---

3

The wife should be kind to her  
husband.

---

4

The wife should live sacrificially  
within her marriage.

---

5

The wife must love (and treat)  
her husband as herself.

---

Hard cases make for bad law.

---

Wives submitting to their husbands within the context of a Christian marriage shows that Christ is Lord and brings glory to Him.

---
