

“Confessions of a Feminist Heretic”

Abigail Favale

Our marriages must be grounded
in the gospel because they are
designed to display the gospel.

Husbands are to love their wives
in such a way that it...

1

Their wives experience and grow
in their belief and embracing of
the gospel

2

Their marriage displays the gospel, the glorious union between Christ and the Church.

Husbands, Love Your Wives as Christ Loved the Church

Ephesians 5:25-33

Two Ways Husbands are to Love Their Wives

Eph 5:25, 28

1

As Christ Loved the Church

Eph 5:25

2

As Their Own Bodies

Eph 5:28

1

As Christ Loved the Church

Eph 5:2; 5:25; Gal 1:4; 2:20
1 Tim 2:6; Titus 2:14

The husband's love for his wife in
marriage is about
self-sacrifice not self-gratification.

The Twofold Purpose

Eph 5:26-27

1

To Sanctify Her

Eph 5:26

2

To Present Her Holy and
Without Blemish

Eph 5:27

Old Testament Context

Ezek 16:1-14

The husband is to love his wife with the purpose for his wife to be dedicated to Christ and bring glory to Him through her life.

2

As Their Own Bodies

Eph 5:28

In the same way...

Eph 5:28-30

The husband is to love his wife
not with a selfish purpose but a
selfless purpose:
the glory of Christ!

Husbands are to love their wives so that their marriage displays the gospel, the glorious union between Christ and the Church.

Our marriages must be grounded
in the gospel because they are
designed to display the gospel.
