

**Does Not Mean  
On-The-Counter**

**It's much too easy for guests in our homes as well as the youth in our lives to access medications left on kitchen or bathroom counters and in medicine cabinets. Make sure you are securely storing ALL prescription and over the counter medications for everyone's safety.**

**Count It! Lock It! Drop It!**

**Don't Be An Accidental Drug Dealer**

**Count It! Keep a small number in a childproof bottle. Lock the rest.**

**Lock It! Use a Lock Bag to secure medications away from youth.**

**Drop It! Drop off unused pills at a Drop Box.**
